NM School DASH Virtual Professional Learning 2023

All NM School DASH virtual professional learning opportunities are offered twice, one A.M. and one P.M. session, and are **optional**. Professional Learning has been designed to support schools based on their NM Vistas designation. All training information will be posted to the NM School DASH Banner in the School DASH page and to the NM School DASH Page on the PED website.

The **first series of Professional Learning** focuses on the following components: 1) Building the School Core Team, 2) Setting Student Achievement Goals, 3) Conducting Data Analysis and identifying THE Performance Challenge, and 4) Conducting Root Cause Analysis and Selecting Focus Areas.
