Facilities Narrative

Provide a description of the charter school facilities. Enter applicant response in box below:

School response:

Albuquerque Aviation Academy is located at 6441 Ventana Road Northwest, Albuquerque, NM 87114. The school moved into the brand new 28,405 square foot building with an additional 8,720 square foot gym for a total of 37,125 square foot facility in January of 2023. This building consists of 12 general education classrooms that are each over 870 square feet and additional storage spaces, allowing for ample learning environments. An aviation classroom, specifically designed for integrating our full flight simulator and a spacious SMART lab allow students unique hands-on learning opportunities. Additional spaces for students with special needs, a

lunch room, and offices as well a full-sized gym complete with a weight room give students of the Albuquerque Aviation Academy a well rounded learning environment.

Albuquerque Aviation Academy also designed an outdoor courtyard area in the center of the school where students can enjoy meals and have opportunities for learning to take place outdoors. Albuquerque Aviation Academy is working on the next phase of our outdoor learning opportunities which will include a full sized track and turf field for outdoor sports to take place. In the previous building, we were limited to a number lower than the school's cap due to classroom and size constraints. This new building will allow the Albuquerque Aviation Academy to grow year after year as we continue to increase enrollment closer to our 500 student capacity.

RE: Proposed New Facility for the Southwest Aeronautics, Mathematics, and Science Academy

VIA E-MAIL

Ms. Brame,

The Public School Facilities Authority (PSFA) has reviewed the submitted construction drawings for the proposed new school facility for the Southwest Aeronautics, Mathematics, and Science Academy. The proposed new facility will be located at 6441 Ventana Ranch Road NW. PSFA understands that the charter school plans to obtain a lease purchase agreement for the land and proposed building to be constructed, and relocate to this facility.

The purpose of this plan review was to determine if the proposed facility is in concurrence with the requirements for a Lease Purchase Agreement, pursuant to 22-8B-4.2 NMSA 1978 and 22-20-1 NMSA 1978. The proposed building must have a weighted New Mexico Condition Index (wNMCI) score equal to or better than the current statewide average, meet the statewide adequacy standards, and meet Educational Occupancy standards.

The PSFA is pleased to advise you that the assumed wNMCI score for this new facility will be 0.0%. This score is better (lower is better) than the current wNMCI statewide average of 23.4%, as required by statute.

Analysis of the planned classroom space, for an assumed enrollment cap of 400, indicates the facility will meet the Statewide Adequacy Standards requirements issued by the PSCOC and set forth within 6.27.30 NMAC.

The construction drawings reflect an Educational Occupancy.

This letter confirms that the proposed facility for the Southwest Aeronautics, Mathematics, and Science Academy fulfils the required criteria for a charter school entering a Lease Purchase Agreement.

Please keep the PSFA apprised of the construction and relocation progress. The PSFA will conduct an assessment of the facility once construction is complete.

Please feel free to contact me if you have any questions or concerns regarding this correspondence.

Respectfully,

Alyce Ramos

Re: Lease Purchase Agreement Approval for Southwest Aeronautics, Mathematics, and Science Academy

Director Ortiz,

On the behalf of the Southwest Aeronautics, Mathematics, and Science Academy (SAMS Academy) and pursuant to the New Mexico Public Education Department's (NMPED's) Checklist for Charter School Submission for Proposed Lease Purchase Arrangement for Public Education Department Approval ("Checklist"). I am submitting the School's documents in support of our request for NMPED approval of the enclosed Lease Purchase Agreement.

Enclosed with this letter please find copies of the following documents:

- 1. Copy of the August 10, 2021 Agenda for the SAMS Academy Governing Council's special meeting at which the SAMS Governance Council ("Council") address the proposed Lease Purchase Arrangement ("LPA"). *See* Items IV-V of the agenda. (Attachment #1)
- 2. The SAMS Academy Governing Council's Resolution No. 2021-22-001 ("Resolution") approving entering into a LPA under the terms and conditions described. (Attachment #2)
- 3. Proposed Lease Purchase Arrangement. (Attachment #3)
- 4. Sources of Funds for Lease Purchase Arrangement. (Attachment #4)
- 5. Public School Facilities Authority Approvals are in process and will be forwarded once the weighted New Mexico Condition Index score is finalized.
- 6. Affidavit of Bridget Barrett concerning Open Meetings Act Compliance. (Attachment #5)

Mr. Antonio Ortiz, Director August 16, 2021 Page 2 of 3

Currently the SAMS Academy is located at 4100 Aerospace Pkwy. NW in Albuquerque, NM, in a facility that is owned and Operated by the City of Albuquerque's Department of Aviation. It had been the hope of the school to purchase the existing facility, a task that is made impossible with the discovery that the land is owned by the Federal Aviation Administration, which was discovered during exploratory conversations with the City of Albuquerque about buying 4100 Aerospace Pkwy. NW.

After the ability to Purchase 4100 Aerospace Pkwy. NW was eliminated, the school engaged with Steve Nakamura to identify a location and design a new Public School facility for the School. Mr. Nakamura is the current owner of Rachel Matthew Development, Inc. a New Mexico business corporation. Rachel Matthew Development, under the name RMSAMS LLC, is the lessor under the lease purchase arrangement SAMS Academy is submitting for your and the NMPED's approval.

This transaction involves the acquisition of 5.00+/- acres at the Southwest Corner of Irving Blvd. and Ventana Road, Albuquerque, NM. Mr. Nakamura has helped the school plan and design a proposed 36,800 sq. ft. single story school facility to be housed on the land. Mr. Nakamura has agreed to purchase the land from the current owner and make improvements, including the construction of the proposed facility, and then sell the property to the School using the financing instrument of the lease purchase arrangement. The financing structure of the LPA does not extend the payments beyond thirty (30) years. It is anticipated that the LPA, with advance principal payments, will be paid off in approximately twenty-three (23) years.

Rachel Matthew Development, Inc. has a pending purchase agreement for the land and the closing of this transaction is conditional upon approval of the NMPED's approval of the proposed lease purchase arrangement. Land improvements and new facility construction cannot commence until closing of the land sale. The school anticipates an added, unbudgeted, boom in enrollment once located in the new facility closer to potential student's families. In these unprecedented times, we feel that time is of the essence to finalize this amazing opportunity and SAMS Academy respectfully asks the NMPED to consider the proposed Lease purchase agreement as quickly as possible.

If you have any questions or require additional information in order to process this request for approval, please contact either myself or the school's attorney, Mr. R. Daniel Castille <dcastille@cuddymccarthy.com> with the Cuddy & McCarthy Law Firm.

B. School's governing body has determined that it is necessary, desirable, and in School's best interest, subject to separate statutory approval by the Public Education Department (NMSA 1978, §22-26A-4(B)) and the Public School Facilities Authority (NMSA 1978, §22-20-1(A)(2)), to lease-purchase from Lessor a five (5)-acre+/- parcel of land with a completed public school facility of approximately 36,800 square feet located at the Southwest Corner of Irving Blvd. and Ventana Road, in the City of Albuquerque, County of Bernalillo, New Mexico. (d) Its governing body has complied fully with all the requirements of NMSA 1978, §22-26A-6, and those of NMSA 1978, §10-15-1 applicable to its actions regarding this Agreement and the acquisition of the School Site through a lease purchase arrangement.

(e) It has immediate need for, and expects to make immediate use of, the School Site being leased with an option to purchase under this Agreement, which need, at the time of approval hereof, is not temporary or expected to diminish in the foreseeable future.

(f) Neither the execution and delivery of this Agreement, nor the fulfillment of or compliance with the terms and conditions hereof or thereof, nor the consummation of the transactions contemplated hereby or thereby, conflicts with or results in a breach of the terms, conditions, and provisions of any restriction or any agreement or instrument to which School is now a party or by which Lessor is bound or constitutes a default under any of the foregoing.

(g) To the knowledge of School, there is no litigation or proceeding currently pending or threatened against School or any other person affecting the right of School to execute and deliver this Agreement, the ability of School to make the payments required hereunder, or the ability of School otherwise to comply with its obligations under this Agreement.

(h) It shall not transfer, lease, assign, mortgage, or encumber all or any portion of its interest under this Agreement, or the School Site, except in accordance with the terms and conditions hereunder and as provided by New Mexico law, including NMSA 1978, §22-26A-5(K) with respect to assignment of a lease purchase arrangement to: (i) a school district or School; or (ii) the State of New Mexico or one of its institutions, instrumentalities or other political subdivisions.

(i) The School Site shall be used and occupied only for educational and related purposes, and for no other purpose. No portion of the School Site shall be used primarily for pervasively sectarian purposes. School shall comply with all applicable state and federal laws and constitutional provisions prohibiting discrimination on the basis of disability, physical or mental handicap, serious medical conditions, race, creed, color, sex, gender identity, sexual orientation, spousal affiliation, national origin, religion, ancestry, need for special education services, or of any other protected class under either state or federal law.

(j) It shall conform to and comply with all applicable municipal, state, and federal laws, ordinances, rules and regulations in its use of the School Site, and School will not use or suffer to be used the School Site in any manner contrary to any applicable municipal, state, or federal laws, ordinances, rules or regulations, so as to create or cause to exist any nuisance or hazardous condition.

(k) It shall use its best efforts to lease-purchase the School Site from Lessor with funds obtained from lease payment grant assistance from the Public School Capital Outlay Council in accordance with

NMSA 1978, §22-24-4(I), or from other legally available funds according to the terms of this Agreement, but in no event shall this Agreement have a final payment date exceeding thirty (30) years after the date of its execution by the parties.

(1) Notwithstanding any other provisions of this Agreement, School's governing body represents, warrants and covenants that it has not directly or indirectly undertaken, or agreed to directly or indirectly undertake, Lessor's debt under the Lessor's Loan or any agreement, nor has School pledged, transferred, or granted a security interest in, or assigned to any private third party, public funds, monies, grants, or other distributions received, or to be received, by School from or through the State of New Mexico, for the purpose of securing the payment of Lessor's financial obligations under Lessor's Loan or financial obligations, in violation of Article IX, Section 14 of the New Mexico Constitution, or in violation of Article IX, Section 11 of the New Mexico Constitution.

(m) It shall not use funds paid to School pursuant to NMSA 1978, § 22-26-1, *et seq*. (the Public School Building Act, a/k/a "HB33") or NMSA 1978, § 22-25-1 *et seq*. (the Public School Capital Improvement Act, a/k/a "SB9") for any purpose other than those authorized by applicable law.

Section 2.02 <u>Representations, Covenants, and Warranties of Lessor</u>. Lessor represents, covenants, and warrants to School as follows:

(a) It is a limited liability company duly organized, existing, and in good standing under the laws of New Mexico, is possessed of full power to purchase, own, hold, and lease (as owner and lessor) real and personal property, has all necessary power to lease and sell the School Site to School pursuant to this Agreement, and to execute, deliver, and perform its obligations under this Agreement and has duly authorized the execution, delivery, and performance of its obligations under this Agreement.

(b) It shall at all times maintain its corporate existence and maintain all the rights and powers provided to it under its governing documents, articles of incorporation, bylaws, action of its board of directors, and applicable federal and state law.

(c) This Agreement is enforceable against Lessor in accordance with its respective terms, subject only to bankruptcy, insolvency, reorganization, moratorium, and other similar laws affecting creditors' rights generally and equitable principles, whether considered at law or in equity.

(d) The Improvements have been designed and will be constructed to meet all educational occupancy standards as applicable pursuant to the Statewide Adequacy Standards. The School Site will be leased from Lessor in accordance with all Requirements of Law, specifically including those of New Mexico.

(e) Neither the execution and delivery of this Agreement, nor the fulfillment of or compliance with the terms and conditions hereof or thereof, nor the consummation of the transactions contemplated hereby or thereby, conflicts with or results in a breach of the terms, conditions, and provisions of any restriction or any agreement or instrument to which Lessor is now a party or by which Lessor is bound or constitutes a default under any of the foregoing.

(f) To the knowledge of Lessor, there is no litigation or proceeding pending or threatened against Lessor or any other person affecting the right of Lessor to execute and deliver this Agreement, or the ability of Lessor otherwise to comply with its obligations under this Agreement.

(g) To the knowledge of Lessor, Lessor has not received any notice that the School Site or its present use and condition violates any applicable deed restrictions or other covenants, restrictions or agreements, mortgages, or conditions of title or ownership, site plan approval, zoning or subdivision regulations, urban

development plans, the laws statutes, codes, acts, ordinances, orders, judgments, decrees, injunctions, rules, regulations, permits, licenses, authorizations, directions, or requirements of any authorities governing or regulating the use and operation, or otherwise applicable to the School Site.

To the knowledge of Lessor: (i) the School Site has at all times been operated in substantial (h) compliance with all Requirements of Law; (ii) all permits required by Requirements of Law with respect to the School Site have been obtained and are in full force and effect and School is in substantial compliance with the material terms and conditions of such permits; (iii) there is no pending litigation, investigation, administrative or other proceeding of any kind before or by any governmental authority or other person or entity relating to, or alleging, any violation of any Requirements of Law in connection with the School Site and there are no grounds on which any such litigation, investigation or proceedings might be commenced; (iv) the School Site is not subject to any judgment, injunction, writ, order, or agreement respecting any Requirements of Law; (v) there is no hazardous substance (as those terms are defined in the Comprehensive Environmental Response, Compensation, and Liability Act, as amended, 42 U.S.C. §9601, et seq., any applicable state law or regulations promulgated under either), solid or hazardous waste (as defined in the Resource Conservation and Recovery Act, as amended, 42 U.S.C. §6901, et seq., any applicable state law or regulations promulgated under either), special waste, petroleum or petroleum derived substance, radioactive material or waste, polychlorinated biphenyls, asbestos or any constituent of any of the foregoing located on, in, or under the Land or School Site in violation of any Requirements of Law; (vi) there has been no disposal of any of the items referred to in clause (v) on, from, into, or out of the School Site in violation of any Requirements of Law; and (vii) there has been no spillage, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leeching, dumping, disposing, depositing, or dispersing of any of the items referred to in clause (v) into the indoor or outdoor environment from, into, or out of the School Site including the movement of any such items through or in the air, soil, surface water, ground water from, into, or out of the School Site or the abandonment or discard of barrels, containers, or other open or closed receptacles containing any such items from, into, or out of the School Site in violation of any Requirements of Law.

ARTICLE III AGREEMENT TO LEASE

Section 3.01 <u>Lease</u>. Lessor hereby leases the School Site to School, and School hereby leases the School Site from Lessor with an option to purchase, upon the terms and conditions set forth in this Agreement, provided that the terms and conditions herein are not in contravention of any applicable New Mexico laws.

Section 3.02 <u>Possession and Enjoyment</u>. During the Term of this Agreement, Lessor shall provide School with quiet use and enjoyment of the School Site and during such term School shall peaceably and quietly have and hold and enjoy the School Site, without suit, trouble, or hindrance from Lessor, except as expressly set forth herein. Lessor will, at the request of School and at School's cost, join in any legal action in which School asserts its right to such possession and enjoyment to the extent Lessor may lawfully do so. Notwithstanding the foregoing, Lessor shall have the right to inspect the School Site as provided in Section 3.04 hereof.

Section 3.03 <u>Use of School Site</u>. The School Site shall be used and occupied only for educational and related purposes, and for no other purpose. No portion of the School Site shall be used primarily for pervasively sectarian purposes. School shall comply with all applicable state and federal laws and constitutional provisions prohibiting discrimination on the basis of disability, physical or mental handicap, serious medical conditions, race, creed, color, sex, gender identity, sexual orientation, spousal affiliation, national origin, religion, ancestry, need for special education services, or of any other protected class under either state or federal law.

Section 3.04 <u>Lessor's Access to School Site</u>. School agrees that following the Commencement Date of this Agreement, Lessor shall have for the Term the right, during School's normal working hours and regular business days, upon compliance with any security requirements imposed by School and upon reasonable notice,

to enter on and examine and inspect the School Site for the purpose of assuring that it is being properly maintained, preserved, and kept in good repair and condition. School further agrees that Lessor shall have such rights of access to the School Site as may be reasonably necessary to cause the proper maintenance of the School Site in the event of failure by School to perform its obligations hereunder, provided that at no time shall Lessor be compelled or required to make any improvements, alterations, or additions to the School Site.

ARTICLE IV TERM OF AGREEMENT

Section 4.01 <u>Term of Agreement</u>. Unless this Agreement is terminated earlier pursuant to Section 4.2 hereof, the Term shall commence on the Commencement Date and continue for no more than 30 years from the Commencement Date ("Term").

Section 4.02 <u>Termination of Agreement</u>. This Agreement shall terminate upon the occurrence of any one of the following events:

(a) the purchase of the School Site by School pursuant to Article VI hereof;

XI hereof;

(b)

XI hereof;

(c) a default by Lessor and School's election to terminate this Agreement pursuant to Article

a default by School and Lessor's election to terminate this Agreement pursuant to Article

(d) a decision by School's governing body, in any Fiscal Year, not to continue this Agreement from year to year or to purchase the School Site in accordance with NMSA 1978, §22-26A-5(I);

(e) an Event of Non-Appropriation; or

(f) if School's charter is revoked or not renewed by the New Mexico Public Education Commission, and a subsequent decision by the district court on an appeal filed pursuant to NMSA 1978, §39-3-1.1 to not set aside, reverse or remand the Secretary of Public Education's final decision on an appeal by School's governing body filed pursuant to NMSA 1978, §22-8B-7(F). In no event shall the School's governing body be required to file an appeal if to do so would be frivolous as determined by the governing body on advice of legal counsel or as otherwise determined by the School.

Section 4.03 Effect of Termination of Agreement. Upon termination of this Agreement:

(a) All unaccrued obligations of School hereunder shall terminate, but all obligations of School that have accrued hereunder prior to such termination shall continue until they are discharged in full, subject to the supervisory authority of the Public Education Department under NMSA 1978, §22-2-2(C) as well as the powers and duties of School's governing body designated as aboard of finance; and

(b) If the termination occurs because of the occurrence of an Event of Non-Appropriation under Section 4.5 (a) hereof or an Event of Default as defined in Article X hereof: (i) School's right to possession of the School Site shall terminate; and (ii) School shall vacate the School Site as set forth in 4.5(e). If termination occurs because of non-renewal or revocation of School's charter, Lease Payments shall be paid through the date of closure, subject applicable law including but not limited to: (i) the supervisory authority of the Public Education Department under NMSA 1978, §22-2-2(C); and (ii) NMSA 1978, §22-8B-4 and §22-8B-12.1.

Section 4.04 <u>Continuation of Agreement</u>. In accordance with Article IX, Section 11 of the New Mexico

Constitution and NMSA 1978, §§22-26A-5(I) and (J), the parties stipulate and agree that: (a) there is no legal obligation for School to continue this Agreement from year to year or to purchase the School Site; and (b) this Agreement shall terminate if sufficient money is not available to meet any current lease payment as determined by School.

Section 4.05 <u>Termination of Agreement due to Event of Non-Appropriation</u>.

(a) An "Event of Non-Appropriation" shall mean: (i) the School not having sufficient money available to meet any current payment or obligation under this Agreement; (ii) a failure by the New Mexico Legislature to appropriate, or the Public Education Department to, in succession distribute, sufficient money to School to pay the Base Rent, Additional Rent or other financial obligation required under this Agreement; or (iii) a failure by School to appropriate sufficient amounts to proceed under Section 7.06(c)(ii) of this Agreement, following the occurrence of an event described in Section 7.06(a) hereof.

(b) In the event that School's governing body shall decide, in its sole discretion and consistent with New Mexico law, to exercise its statutory right to not continue this Agreement, effective on June 30 of any Fiscal Year, School shall give written notice within five (5) Business Days of such decision to Lessor. The exercise of School's statutory right to not continue this Agreement shall be conclusively determined: (a) by School governing body's decision to not appropriate by June 30 of any Fiscal Year sufficient amounts to pay all lease payments due in the ensuing Fiscal Year; or (b) upon the occurrence of any of the other Event of Non-appropriation as defined herein.

(c) Any decision not to continue this Agreement shall be made solely by School's governing body, and not by any other School agency or official, except as otherwise provided under the Public School Code, NMSA 1978, Chapter 22.

(d) If an Event of Non-Appropriation occurs, School shall not be obligated to pay the Base Rent or Additional Rent or any other payments provided for herein beyond the amounts specifically appropriated by School's governing body for the Fiscal Year during which such Event of Non-appropriation occurs; provided, however, that School shall continue to be liable for Base Rent and Additional Rent, to the extent payable from legally available funds allocable to any period during which School continues to occupy or retain possession of the School Site.

(e) The School shall in all events vacate the School Site and surrender it to Lessor, by June 30th following an Event of Non-Appropriation.

ARTICLE V AGREEMENT LEASE PAYMENTS

Section 5.01 Lease Payments.

(a) <u>Base Rent</u>. School agrees to pay Lessor, its successors and assigns, for the right to use, improve, and acquire by purchase the School Site, and Lessor agrees to accept, as full lease payment for the School Site a sum equal to the monthly Base Rent set forth in Exhibit C to this Agreement, as may be amended. The first Base Rent payment is due and payable on the fifteenth day following issuance of the Certificate of Occupancy for the School Site including all certifications and approvals required for the School to operate a charter school at the School Site ("Rent Commencement Date"), and thereafter, on the first day (1st) day of each month during the Term of this Agreement. Any partial month's Base Rent will be calculated on a *pro rata* basis.

(b) <u>Interest Rate</u>. The initial interest rate charged on the balance of the Purchase Price is as set forth in Section 6.03 herein and Exhibit C, and is calculated by adding two percent (2%) over the interest rate ("Lessor's Surcharge") charged to Lessor on Lessor's Loan ("Base Interest Rate"). The Base Interest Rate shall

be adjusted to reflect the actual interest rate charged on Lessor's Loan as of the Commencement Date, plus Lessor's Surcharge and Exhibit C will be replaced with a revised Base Rent Schedule reflecting the reduced interest rate on or before the Rent Commencement Date. Lessor shall provide documentation of the interest rate charged by Lessor's Lender upon execution of this Agreement. Lessor represents that the interest rate charged on its Loan is subject to change not more frequently than every five (5) years ("Adjustment Date") during the Term of this Agreement. The first Adjustment Date after the rate shown on Exhibit C ("Interest Rate Adjustment") shall be no sooner than five years after the Rent Commencement Date and each interest rate increase shall not be greater than 1.5%. The total Interest Rate Adjustment over the Term shall not be greater than 3%. If Lessor is notified by Lender that there will be an Interest Rate Adjustment to Lessor's Loan, Lessor shall notify the School in writing (including a copy of Lender's notification to Lessor) of Lender's Interest Rate Adjustment on or before March 1 in the year prior to the Fiscal Year in which the interest increase shall occur. Lessor acknowledges that failure to timely notify the School of a projected Interest Rate Adjustment for this Agreement may result in the School's inability to budget the funds necessary to cover the increased Interest Rate Adjustment in its annual budget and in said event Lessor shall forbear charging the School for the amount of the increase of any Interest Rate for that Fiscal Year.

(c) <u>Allocation of Base Rent</u>. A portion of each Base Rent payment is paid and represents payment of the principal and interest component of each payment made under this Agreement, in accordance with NMSA 1978, §22-26A-5(F). Upon receipt of each payment of Base Rent, Lessor shall apply the amount of such payment to principal and interest as shown in Exhibit C or any amendments thereto, thereby reducing the Purchase Price to be paid by the School if it elects to exercise its option to purchase the School Site. The parties agree that the interest component of each payment made, or net effective interest rate thereon, shall not exceed the maximum permitted by the Public Securities Act, NMSA 1978, §6-14-1 through §6-14-3, as that Act may be amended from time to time.

Section 5.02 <u>Rent Commencement Date</u>. Rent shall commence on the date Lessor has completed the Improvements described in Exhibit B hereto and appropriate certificates of occupancy, including educational occupancy have been issued in accordance with the Requirements of Law.

Section 5.03 Additional Rent. In addition to the Base Rent, School shall pay Additional Rent during the Term as herein provided. Additional Rent shall be estimated annually by Lessor and said estimate shall be provided in writing to the School on or before February 1 of every year. If the Lessor fails to submit an estimate on or before February 1, then the amount of Additional Rent shall be the same as the preceding year. The Additional Rent paid by School shall be in an amount sufficient to pay the following costs during the ensuing Fiscal Year, provided that School's payment of any of these costs or any other costs, fees, or expenses under or according to this Agreement does not violate Article IX, Section 14 of the New Mexico Constitution or pertinent New Mexico statutory or common law: (i) taxes, not including property taxes after the first year of the School's occupancy of the Premises (it being assessed that, upon occupancy, the School will apply for an appropriate exemption from any such property taxes as permitted by New Mexico law and procedure) related to the School Site after School assumes occupancy of the School Site as set out in Section 5.08; (ii) the cost of insurance premiums for additional insurance as may be requested or required by Lessor's lender or insurance providers; and (iii) all other costs expressly required to be paid by Lessor as Additional Rent to the School hereunder, if any, provided that Lessee's payment of such cost or expense does not violate Article IX, Section 14 of the New Mexico Constitution. If School's governing body decides to continue this Agreement for the ensuing Fiscal Year, School's obligation under this Agreement to pay Additional Rent during such Fiscal Year shall be limited to the amount so appropriated for Additional Rent. Additional Rental obligations in excess of the amounts so appropriated shall in no event be due or owing from School.

Section 5.04 <u>Budgeting</u>. In any Fiscal Year that this Agreement is in effect, School shall, to the extent permitted by New Mexico law, and by Public Education Department practice, policy, or directive, include in the budget proposal to the Public Education Department for the ensuing Fiscal Year an amount equal to one hundred

percent (100%) of the Base Rent and one hundred five percent (105%) of estimated Additional Rent; provided, however, that the decision whether to continue this Agreement and whether to appropriate such amounts therefor shall remain within the sole discretion of School's governing body. The Base Rent, Additional Rent, and any other obligations payable by School under this Agreement shall constitute currently appropriated expenditures of School and shall not constitute a debt or multiple Fiscal Year direct or indirect obligations whatsoever of School or a mandatory charge or requirement against School in any Fiscal Year beyond the Fiscal Year for which such payments have been approved.

Section 5.05 <u>Nature of Payment</u>. School and Lessor acknowledge and agree that the Base Rent and Additional Rent hereunder shall constitute currently appropriated expenditures of School and may be paid from any legally available funds. School's obligations under this Agreement shall not constitute a mandatory charge or requirement for payment of any amounts in excess of amounts appropriated for any Fiscal Year beyond the Fiscal Year for which such appropriation has been made. No provision of this Agreement shall be construed or interpreted as creating a debt or multiple Fiscal Year direct or indirect debt or other financial obligation whatsoever of School within the meaning of any constitutional or statutory limitation or requirement. No provision of this Agreement shall be construed or interpreted as creating a delegation by or a lending of the credit of the School within the meaning of any constitutional or statutory limitation or requirement. This Agreement does not directly or indirectly obligate the School to make any payments beyond those appropriated for any Fiscal Year for which payments have been appropriated.

Section 5.06 Manner of Payment.

(a) The Base Rent and any Additional Rent shall be paid on the first (1st) day of every month of the Term when due in lawful money of the United States of America. If Base Rent and any Additional Rent is not paid in full when it becomes due, School shall have a five (5) day grace period hereafter. However, if the Base Rent and any Additional Rent is not received by the Lessor by the sixth day (6th) of the month, School shall pay a late fee on the outstanding amounts owed equal to 1.5% of those outstanding amounts. Payments made shall be credited first to outstanding Base Rent and then to any Additional Rent. No other late fees or charges shall be assessed by Lessor.

(b) The obligation of School to pay the Base Rent and Additional Rent required under this Agreement shall not be abated through accident or unforeseen circumstances, except as otherwise provide by law. School shall during the Term hereof make all payments of Base Rent and Additional Rent when due and shall not withhold any Base Rent or Additional Rent, nor shall School assert any right of set-off or counter-claim against its obligation to make such payments required hereunder; provided, however, that the making of such payments shall not constitute a waiver by School of any rights, claims, or defenses which School may assert. No action or inaction on the part of Lessor shall affect School's obligation to pay Base Rent and Additional Rent of this Agreement.

Section 5.07 <u>Funding of Improvements to School Site</u>. School and Lessor agree that School may use all legally available funds to acquire, construct, equip, install, or make improvements to the School Site during the Term of this Agreement upon written approval of the Lessor, which approval shall not be unreasonably withheld. Prior to any termination of this Agreement as provided hereunder, other than termination due to purchase of the School Site by School, Lessor may require School to remove, at School's own expense, any improvements to the School Site that were funded by School.

Section 5.08 <u>Taxes and Assessments</u>. During the Term, if the School Site or any portion thereof shall, for any reason, be deemed subject to taxation, assessments, or charges lawfully made by any governmental body, School shall pay, as Additional Rent the amount of all such taxes, assessments, and governmental charges then due. With respect to special assessments or other governmental charges that may be lawfully paid in installments over a period of years, School shall be obligated to provide only for such installments as are required to be paid

during the Term of this Agreement. School shall not allow any liens for taxes, assessments, or governmental charges to exist with respect to the School Site or any portion thereof, including any taxes levied thereon which, if not paid, will become a charge on the rentals and receipts from the School Site or any portion thereof, or any interest therein, including the Lessor's interests or the rentals and revenues derived therefrom or hereunder. If School shall first notify Lessor of the intention of School to do so, School may, at the expense and in the name of School, in good faith contest any such tax, assessment, and other charges and, in the event of any such contest, may permit the tax, assessment, or other charges so contested to remain unpaid during the period of such contest and any appeal therefrom unless Lessor shall notify School that, in the opinion of independent counsel, whose reasonable fees shall be paid by School, by nonpayment of any such items the School Site or any portion thereof will be subject to loss or forfeiture, or Lessor will be subject to liability, in which event such tax, assessment, or other charges shall be paid promptly or secured by posting a bond with Lessor in form satisfactory to Lessor (provided, however, that such payment shall not constitute a waiver of the right to continue to contest such tax, assessment, or other charges). Lessor shall cooperate in any efforts by School to contest any taxes or assessments. Notwithstanding anything to the contrary in this Agreement, Lessor represents and warrants that Lessor undertake the efforts set forth in the Addendum hereto to remove any covenants, restrictions, assessments, charges, servitudes, liens, reservations and easements related to the Ventana Ranch subdivision and shall indemnify and hold harmless School from any liability, loss or damage it may suffer as a result of claims, demands, costs or judgments that the School or School Site incurs, including but not limited to reasonable attorneys' fees, related in any way to any covenants, restrictions, assessments, charges, servitudes, liens, reservations and easements associated with the Property.

<u>Section 5.09.</u> <u>Utilities</u>. During the Term, School shall pay, as the same respectively become due, all gas, water, electricity, heat, sewer and waste disposal, and other utility charges incurred in the maintenance and upkeep of the School Site and School shall place all such utilities in its name.

Section 5.10 <u>Maximum Monthly Rental Amount.</u> Notwithstanding anything to the contrary set forth in this Agreement, the maximum amount of Base Rent that may be charged monthly shall not exceed \$59,502.69.

ARTICLE VI OPTION TO PURCHASE

Section 6.01 <u>Option to Purchase</u>. In consideration of the agreements, promises, and covenants made each to the other in this Agreement, and other good and valuable consideration received, which consideration Lessor acknowledges to be adequate, Lessor grants to School the option to purchase the School Site upon the terms and conditions set forth in this Agreement, and to the extent permitted by the Public School Lease Purchase Act.

Section 6.02 <u>Maximum Purchase Price</u>. The Lessor has guaranteed a maximum purchase price to acquire the Land and develop the School Site not to exceed \$10,903,704.06 (Ten Million Nine Hundred Three Thousand Seven Hundred Four Dollars and Six cents) ("Maximum Purchase Price"). The Purchase Price, which shall not exceed the Maximum Purchase Price, shall be determined between the parties after Lessor has obtained construction bids based on the Approved Plans as the term is defined in Exhibit B. Lessor shall provide School with an overall cost projection by no later than thirty (30) days from completion of the Approved Plans. The Parties shall negotiate Lessor's Costs within thirty (30) days from the date School receives the overall construction cost projection from Lessor. The Purchase Price shall be Lessor's overall cost projection Costs multiplied by fifteen percent (15%) (Lessor's profit), plus Lessor's gross purchase price to acquire the Land (which shall not contain any mark up for profit) shall be documented by presenting the School with a copy of the closing statement from the Land sale transaction (i.e. the "Purchase Agreement"). Lessor shall not charge a profit on the Land purchase Price as calculated herein is less than the Maximum Purchase Price, Exhibit C will be replaced to reflect the lower price. Notwithstanding the foregoing, to the extent Lessor's actual costs of

construction are less, after a final reconciliation, than its projected costs as set forth above, the difference shall reduce the Purchase Price and Exhibit B shall be adjusted accordingly; any increase in the actual construction costs relative to the projected costs, shall not increase the Purchase Price.

Section 6.03 <u>Purchase Price on Exercise of Option</u>. Subject to the provisions of Section 6.06, the "Purchase Price" for the School Site on exercise of the option to purchase hereunder shall be the amount necessary to pay the outstanding principal balance on the unpaid Purchase Price, as set forth in the Base Rent Schedule attached at Exhibit C hereto, plus any accrued and unpaid interest to that date. The interest rate on the principal balance remaining on exercise of the option to purchase shall not exceed the maximum permitted by the Public Securities Act, as that Act may be amended from time to time.

Section 6.04 <u>Additional Annual Advanced Principal Payments</u>. In addition to the Base Rent, and any Additional Rents due, beginning with the sixty-first (61st) month after the Rent Commencement Date (or sooner, should the School so elect), the School shall make one (1) additional principal payment of \$100,000.00 (One Hundred Thousand Dollars) each year reducing the Purchase Price accordingly. The School's failure to make the advanced principal payment as contemplated by this Section, shall not constitute a default under this Agreement, nor otherwise be cause for termination of this Agreement or imposition of a penalty or fine by the Lessor. If the School determines it does not have available funds to make the advanced principal payment it shall notify Lessor by August 1 of each Fiscal Year. School may make additional advance principal payments to be applied toward the Purchase Price without penalty.

Section 6.05 <u>Closing Costs Upon Payment of Purchase Price</u>. On exercise of its option to purchase the School Site, the Purchase Price to be paid by School to Lessor at closing shall be a net amount to Lessor, and all expenses in connection with the transfer of the School Site, including title insurance, recording fees, documentary stamps, and any other closing costs, shall be paid by School. The Purchase Price shall be paid by School in cash to Lessor concurrent with Lessor's conveyance of the School Site to School by warranty deed as provided in Section 6.06 hereof.

Section 6.06 <u>Transfer of Title.</u> At closing of the transaction between the parties, Lessor shall convey the School Site to School free and clear of any mortgage, indenture and other encumbrances of record, except those existing at the time of acquisition of the Property by Lessor or otherwise approved by School. The conveyance shall be by a standard form warranty deed from Lessor to School.

Section 6.07 Agreement is Subordinate. School's rights under this Agreement are and shall be subject and subordinate to any underlying mortgage (including a consolidated mortgage), indenture, or deed of trust constituting a first lien on the School Site, or any part thereof, whether such mortgage, indenture, or deed of trust has heretofore been, or may hereafter be, placed upon the School Site to secure Lessor's indebtedness to any bank or other financial institution, trust company, or other financial lender, whether private or public, for the acquisition of the School Site, or to any renewal, modification, consolidation, replacement, or extension of any such mortgage, indenture, or deed of trust. This subordination clause applies only to a first mortgage. Any mortgage, indenture, or deed of trust, securing the Lessor's indebtedness to acquire the School Site shall not exceed the Purchase Price when the option to purchase hereunder is then exercised. This subordination clause shall be selfoperative, and no further instrument of subordination shall be required. School shall, nevertheless, execute and deliver, from time to time, any instrument and certificate affirming and confirming such subordination that Lessor may reasonably request. Lessor will cause any such mortgage, indenture, or deed of trust to contain provisions requiring the holder of the indebtedness secured thereby to mail to School by registered mail, addressed to School at its office as set forth in this Agreement, a copy of each notice of breach of covenant, default, or foreclosure given by the holder or the trustee under such mortgage, indenture, or deed of trust to Lessor. School may, upon receiving notice of breach of covenant, default, or foreclosure under any such mortgage, indenture, or deed of trust as herein provided exercise the option to purchase set forth herein by paying either the then-outstanding principal amount of the debt secured by mortgage, indenture, or deed of trust plus any accrued and unpaid interest

or the Purchase Price, whichever is less. Notwithstanding the foregoing, School's rights under this Agreement shall not be subordinate to the lien of Lender, or any lienholder holding a lien securing Lessor's indebtedness, unless Lender and any other lienholder executes a commercially reasonable non-disturbance agreement that allows the School to continue to occupy the School Site provided School continues to pay monthly installments of Base Rent and provided no material default of this Agreement by School.

Section 6.08 <u>Performance of Option</u>. The School may exercise the Option to Purchase as set forth herein by the payment by School of the Purchase Price, and other payments expressly provided for in this Agreement, to the date of the completion of the purchase of the School Site by School. Notwithstanding anything to the contrary set forth in this Agreement, unless otherwise determined by the School, the payment of the Purchase Price, whether by payment of the Base Rent and Additional Rent over the Term of this Agreement, or otherwise, shall constitute the School's exercise of its Option to Purchase.

Section 6.11 <u>Lessor's Deductions</u>. The Lessor agrees that the Purchase Price on Exhibit C properly reflects a deduction from the Purchase Price for School's payment of the Advanced Purchase Price. The Purchase Price balance, after applying the Advance Principal Payment shall not exceed \$8,943,704.06 (Eight Million Nine Hundred Forty-Three Thousand Seven Hundred Four Dollars and six cents).

Section 6.12 <u>Priority</u>. The Option to Purchase under this Agreement shall be a covenant running with the land for the term of the Agreement, and no conveyance, transfer, easement, or encumbrance thereof shall defeat or adversely affect the Option to Purchase hereunder.

School agrees that if such improvements are removed at the termination hereof, it will repair or restore the area of such surface, if removal of School's personal property creates an unsightly condition, by capping any electrical outlets and concealing any surface areas where personal property, such as counters or shelving, may have been stabilized by attachment to such surfaces.

Section 7.04 Liens. Except as otherwise expressly provided in this Agreement, neither School nor Lessor shall directly or indirectly, create, incur, assume, or suffer to exist any mortgage, pledge, lien, charge, encumbrance, or claim on or with respect to the Improvements, except as herein provided. Lessor and any lending institution(s) of record shall be named as loss payees on the property insurance policy and shall be provided with a copy of this policy annually on the anniversary date of the policy. In the event that the School Site should be destroyed or substantially damaged in whole or in part, and such loss is covered by fire and extended coverage insurance, School shall have the option to either continue this Agreement and use the insurance proceeds to replace or repair the School Site and on Lessor's behalf, or terminate this Agreement and tender to Lessor all such insurance proceeds attributable to the loss or damage to the School Site. If for any reason School is prohibited by law or regulation from carrying such insurance, Lessor may obtain such insurance, and School shall pay the premiums of such insurance as Additional Rent, to the extent permitted by New Mexico law.

The cost of any such insurance shall constitute Additional Rents contemplated in Section 5.03(ii).

Section 7.07 <u>Damage or Destruction; Use of Net Proceeds</u>.

(a) <u>Damage and Destruction</u>. If, during the Term of this Agreement, the School Site, Improvements, or any portion thereof shall be destroyed (in whole or in part), or damaged by fire or other casualty then School shall be obligated, subject to the provisions of Subsection (c) hereof and Section 7.05(b), to continue to pay the amounts specified in Subsection (b) hereof and, to the extent of amounts specifically appropriated by School, to pay Base Rent and Additional Rent.

(b) Repair and Replacement. To the extent not contrary to applicable New Mexico law, School and, to the extent such Net Proceeds are within its control, and further subject to the Lessor's obligations under the Lessor's Loan and mortgage, Lessor shall cause such Net Proceeds to be deposited in a separate trust fund held by Lessor. Except as set forth in Subsection (c) hereof, all Net Proceeds of any insurance policies or performance bonds owed to either School or Lessor shall be applied to the prompt repair, restoration, modification, improvement, or replacement of the School Site, as the case may be, by School upon receipt of requisitions acceptable to Lessor setting forth: (i) the requisition number; (ii) the name and address of the person, firm, or corporation to whom payment is due or has been made; (iii) the amount to be paid or reimbursed; (iv) conditional or unconditional lien waivers; and (v) that each obligation mentioned therein has been properly incurred, is a proper charge against the separate trust fund and has not been the basis of any previous withdrawal and specifying in reasonable detail the nature of the obligation, accompanied by a bill or a statement of account for such obligation. Lessor shall cooperate with School in the administration of such fund and shall not unreasonably withhold its approval of requisitions under this Section. Any repair, restoration, modification, improvement, or replacement of the School Site paid for in whole or in part out of Net Proceeds of School's insurance as described in Section 7.6 hereof shall be included as part of the School Site under this Agreement.

(c) <u>Insufficiency of Net Proceeds for School Site</u>. If there occurs an event described in Subsection (a) hereof, and if any Net Proceeds received as a consequence of such event and available to Lessor or School shall be insufficient to pay in full the cost of any repair, restoration, modification, improvement, or replacement of the School Site required under Subsection (b) hereof, School shall elect one of the following options:

(i) School may, to the extent permitted by New Mexico law, in accordance with Subsection (b) hereof, repair, restore, modify, or improve the School Site or replace the School Site (or portion thereof) with property of a value equal to or in excess of the School Site, and pay as Additional Rent any cost in excess of the amount of the Net Proceeds. To the extent the amounts for Additional Rent, which have been specifically appropriated by School, are available for the payment of such costs, and School agrees to make Additional Rental payments pursuant to the provisions of this paragraph and to the extent permitted by law, School shall not be entitled to any reimbursement therefor from Lessor, nor shall School be entitled to any diminution of the Base Rent and Additional Rent.

(ii) If, by June 30th of the Fiscal Year in which an event described in Subsection (a) hereof occurs (or June 30th of any subsequent Fiscal Year in which the insufficiency of Net Proceeds to repair, restore, modify, improve, or replace the School Site become apparent), School has not appropriated amounts sufficient to proceed under clause (i) of this Subsection, School may request Lessor to make up the insufficiency in the Net Proceeds and if Lessor refuses, School may terminate the Agreement.

(d) <u>Cooperation</u>. The parties to this Agreement shall cooperate fully with the other in filing any proof of loss with respect to any insurance policy or performance bond covering the events described in Subsection (a) hereof. In no event shall either party voluntarily settle, or consent to the settlement of, any proceeding arising out of any insurance claim performance or payment bond claim or any portion thereof without the written consent of the other party. Each party shall be responsible for their respective fees and expenses incurred under this section.

ARTICLE VIII CONDEMNATION; USE OF NET PROCEEDS

Section 8.01 <u>Condemnation</u>. In the event that all or any material portion of the School Site is condemned by any governmental body or entity under the power of eminent domain or are sold under threat of condemnation to any public body or entity prior to School's purchase of the School Site, Lessor shall be entitled to all compensation awarded for the Land and Improvements, not to exceed the then existing Purchase Price, and School shall be entitled to all compensation awarded for the School's business property, equitable leasehold or ownership interest, and improvements made to the School Site owned by the School after the Commencement Date.

Section 8.02 <u>Condemnation of Other Property Owned by School</u>. School shall be entitled to the Net Proceeds of any condemnation award or portion thereof made for destruction of, damage to, or taking of its property including its leasehold interest, but not included in the School Site. Lessor agrees that School shall have the option, at School's sole cost and expense, upon written notice to Lessor, to enter an appearance and defend in any condemnation action as to the School Site and the School's improvements made pursuant to Article IX, or its equitable leasehold or ownership interest and upon such election, Lessor shall not be obligated to provide a defense as to the School's improvements or equitable leasehold or ownership interest, but may do so at Lessor's sole expense. In consideration for such option granted in this paragraph, School agrees not to enter into any settlement agreement as to the condemnation award to be paid for the taking or partial taking of the School's improvements or leasehold interest without Lessor's prior written consent, which consent shall not be unreasonably withheld.

ARTICLE IX LESSEE'S IMPROVEMENTS, EQUIPMENT, AND WARRANTIES

Section 9.01 <u>Improvements to School Site</u>. School, at its own expense, may remodel, or make additions, modifications, or improvements to the School Site, provided that: (i) such remodeling, modifications and additions shall not in any way damage the School Site as it existed prior thereto, and shall become part of the School Site, subject to the provisions of Section 9.02 hereof; (ii) the value of the School Site after such remodeling, modifications, and additions shall be at least as great as the value of the School Site prior thereto; and (iii) the School Site, after such remodeling, modifications, and additions, shall be at least as great as the value of the School Site prior thereto; and (iii) the School Site, after such remodeling, modifications, and additions, shall continue to be used as set forth herein and shall otherwise be subject to the terms of this Agreement. If School makes and pays for improvements to the School Site, there shall be no additional financial obligations to School under this Agreement without written approval by the Public Education Department, in accordance with NMSA 1978, §22-26A-5(G) nor shall there be any diminution or abatement of the School's obligation to pay rent.

Section 9.02 Lien on Improvements by School. Subject to the subordination provision of Section 6.07 of this Agreement, if State of New Mexico or School funds, above those required for Lease Payments hereunder, are used to construct or acquire Improvements, the cost of those Improvements shall constitute a lien on the School Site in favor of School and then, if this Agreement is terminated prior to the final payment and the release of the security interest or the transfer of title hereunder, at the option of School: (1) School may foreclose the real estate lien; or (2) the current market value of the School Site at the time of termination, as determined by an independent appraisal certified by the New Mexico Taxation and Revenue Department, in excess of the outstanding principal due under this Agreement, shall be paid to School, all in accordance with NMSA 1978, §22-26A-5(H). The priority of such statutory lien shall be determined according to New Mexico law, should a legal dispute arise as to the order of satisfaction.

Section 9.03 Installation of School's Equipment. School, upon assumption of occupancy of the School Site, may at any time and from time to time in its sole discretion and at its own expense, install items of movable machinery, standard office partitions, railings, doors, gates, counters, cabinets, lighting fixtures, signs, and such other furnishings and equipment as may in School's judgment be necessary for its purposes in or upon the School Site. All such items shall remain the sole property of School, in which Lessor shall have no interest, and may be modified or removed by School at any time provided that School shall repair and restore any and all damage to the School Site resulting from the installation, modification or removal of any such items upon termination of this Agreement for any reason other than purchase of the School Site by School. Nothing in this Agreement shall prevent School from purchasing items to be installed pursuant to this Section under a conditional sale or lease purchase contract, or subject to a vendor's lien or security agreement, as security for the unpaid portion of the purchase price thereof, provided that no such lien or security interest shall attach to any part of the School Site.

Section 9.04 <u>Lessor's Warranty on Improvements</u>. All of Lessor's Work as described in Exhibit B shall include a one (1) year builder's limited warranty against defects in materials and workmanship commencing on the Rent Commencement Date.

Section 9.05 <u>Warranties</u>. Upon expiration of Lessor's Warranty on Improvements as set forth in Section 9.04, Lessor shall assign to School, all of its interest, if any, in all warranties and guarantees or other contract rights against architects, builders, contractors, subcontractors, suppliers, materialmen or manufacturers for the School Site, express or implied, issued on or applicable to the School Site, and Lessor hereby authorizes School to obtain the customary services furnished in connection with such warranties and guarantees at School's expense. Said assignment of Warranties, however, does not relieve Lessor from its obligations under any contract entered regarding the Improvements.

ARTICLE X ASSIGNMENT, MORTGAGING, AND SELLING

Section 10.01 <u>Assignment</u>. Except for the Lessor's assignment of rents and leases contained in the mortgage, subject to the other provisions of this Agreement, neither party shall assign its interests herein without the prior written consent of the other party, which consent shall not be unreasonably withheld or delayed. Any consent by a party to any assignment shall not operate as consent to any further assignment, and any further assignment shall be subject to the prior written consent of the other party in accordance with the provisions of this section. Unless otherwise agreed to by the parties, no assignment permitted hereunder shall relieve a party from liability for the performance of its obligations under this Agreement. School acknowledges and agrees that any assignment of this Agreement that violates the terms of Lessor's financial obligations under the Loan Agreement will be just and reasonable cause to deny approval of such assignment.

Notwithstanding any other provisions in this Agreement, with the prior approval of Lessor, which shall not be unreasonably withheld, this Agreement is assignable by School, without cost to School and with all of the rights and benefits of its predecessor in interest in being transferred to the assignee to: (a) any New Mexico school district or charter school; or (b) the State of New Mexico or one of its institutions, instrumentalities, or other political subdivisions, all in accordance with NMSA 1978, §22-26A-5(K). After assignment of this Agreement pursuant to this paragraph, the School shall be relieved of all obligations and Lessor shall look only to assignee for performance under this Agreement thereafter.

Section 10.02 <u>Restriction on Mortgage or Sale of School Site by School</u>. Prior to closing on the purchase of the School Site, School shall not mortgage, sell, assign, transfer, lease, or convey the School Site or any portion thereof without the written consent of Lessor, which consent shall not be unreasonably withheld or delayed, and subject to the applicable provisions of the Public School Lease Purchase Act. School agrees that Lessor has good cause to refuse consent of any such mortgage, sale, assignment, transfer, lease or conveyance, if it affects Lessor's underlying financial obligations related to acquisition of the School Site.

ARTICLE XI

EVENTS OF DEFAULT AND REMEDIES

Section 11.01 <u>Events of Default Defined</u>. Each of the following shall constitute an "Event of Default" under this Agreement, and the terms "Event of Default" and "Default" shall mean, whenever they are used herein, any one or more of the following events whether occurring voluntarily or involuntarily, by operation of law, or pursuant to any order of any State governmental agency or court of competent jurisdiction:

(a) Failure by School to pay any Base Rent during the Term of this Agreement on, before, or within ten (10) days of the applicable due date or to pay Additional Rent which becomes due during the Term of this Agreement, up to the amount specifically appropriated for the payment of Base Rent and Additional Rent in accordance with the provisions hereof. Notwithstanding the foregoing, it shall not be an Event of Default entitling Lessor to exercise remedies if, within 30 days' written notice of such default by Lessor to School, School cures the default;

(b) Failure by School or Lessor to observe and perform any covenant, condition, or agreement on either party's part to be observed or performed under this Agreement for a period of thirty (30) days after written notice specifying such failure and requesting that it be remedied, unless the party giving such notice shall agree in writing, prior to the expiration of the thirty-day period, to an extension of no more than sixty (60) days. Provided, however, that if the failure stated in the notice cannot be corrected within the original thirty-day period, the party giving such notice shall not withhold their consent to an extension of up to sixty (60) days if corrective action shall be instituted by the defaulting party within such time period and diligently pursued until the default is corrected;

(c) The filing by either School or Lessor of a voluntary petition in bankruptcy, or failure by

School promptly to lift any execution, garnishment, or attachment of such consequence as would impair School's ability to carry on its school charter obligations at the School Site, or adjudication of School or Lessor as a bankrupt, or assignment by School Lessor for the benefit of creditors, or the entry by School or Lessor into an agreement of composition with creditors, or the approval by a court of competent jurisdiction of a petition applicable to School or Lessor in any proceedings instituted under the provisions of the federal Bankruptcy Act, as amended, or under any similar acts which may hereafter be enacted; or

(d) The revocation or nonrenewal of School's charter by its applicable chartering authority, and a subsequent decision by the district court on an appeal filed pursuant to NMSA 1978, §39-3-1.1 to not set aside, reverse or remand the Secretary of Public Education's final decision on an appeal by School's governing body filed pursuant to NMSA 1978, §22-8B-7(F). In no event shall the School's governing body be required to file an appeal if to do so would be frivolous as determined by the governing body on advice of legal counsel, or as otherwise determined by the School's governing body.

Section 11.02 <u>Remedies of Lessor upon Event of Default</u>. Upon the happening and continuance of any event of default by School specified in Article XI of this Agreement, Lessor or its Assignee may, without any further demand or notice to School, take one or any combination of the following remedial steps:

(a) Terminate this Agreement and give written notice to School to vacate the School Site within sixty days (60) days from the date of such notice.

(b) Lease all or any portion of the School Site as permitted by New Mexico law.

(c) Recover from School: (i) to the extent the recovery thereof is permitted by New Mexico law, the fair rental value of the use of the School Site during any period beyond the thirtieth (30th) day following the occurrence of the Event of Default; and (ii) Base Rent and Additional Rent, to the extent amounts for such Additional Rent have been specifically appropriated in accordance with the provisions hereof, which would otherwise have been payable by School hereunder during the remainder, after School vacates the School Site, of the Fiscal Year in which such Event of Default occurs.

(d) Take whatever action either at law or in equity as Lessor or its legal counsel shall deem most effectual to protect and enforce this Agreement and Lessor's rights hereunder.

Section 11.03 <u>Remedies of School upon Event of Default</u>. Upon the happening and continuance of any event of default by Lessor specified in Article XI of this Agreement, School or its assignee for value may, without any further demand or notice to Lessor, take one or any combination of the following remedial steps:

(a) Give notice to Lessor of School's intent to not continue this Agreement, as determined in the sole discretion of School's governing body; provided, however, that such obligations of School to pay Lease Payments under Article V shall continue until School vacates the School Site.

(b) Recover from Lessor any amounts due School as contemplated under NMSA 1978, §22-26A-5(H).

(c) Take whatever action either at law or in equity as School or its legal counsel shall deem most effectual to protect and enforce this Agreement and School's rights hereunder.

Section 11.04 <u>Force Majeure</u>. The provisions of Sections 11.1 and 11.2 of this Agreement are subject to the following limitations: if by reason of *force majeure*, School or Lessor is unable in whole or in part to carry out its obligations under this Agreement, Lessor or School shall not be deemed in default during the continuance of such inability or during any other delays which are a direct consequence of the *force majeure* inability. The

term "*force majeure*" as used herein shall mean, without limitation: acts of God; strikes, lockouts, or other industrial disturbances; epidemics or pandemics; acts of public enemies; orders or restraints of any kind of the government of the United States of America or any of its departments, agencies or officials, or any civil or military authority other than School or Lessor; insurrections; riots; earthquakes; fires; storms; drought; floods; explosions; breakage or accident to machinery, transmission pipes or canals; or any other cause or event not reasonably within the control of Lessor or School and not resulting from the negligence of the party claiming a force majeure event. Lessor and School agree, however, to remedy with all reasonable dispatch the cause or causes preventing them from carrying out their respective obligation under this Agreement; provided that the settlement of strikes, lockouts and other industrial disturbances shall not be required if in the judgment of the party raising the defense of *force majeure*, acceding to the demands of the person or persons creating the strike, lockout or industrial disturbance, would be injurious to such party.

Section 11.05 <u>Remedies Cumulative</u>. The above-provided rights and remedies to which either party is entitled hereunder, at law or in equity, are cumulative and not exclusive of all other rights and remedies to which a party may be entitled herein, at law or in equity, in the event of breach or threatened breach by a party in default of any of the terms, conditions, and provisions contained herein.

Section 11.06 <u>No Additional Waiver Implied by One Waiver</u>. The failure, neglect, or omission of a nondefaulting party to terminate this Agreement for any breach or default shall not be deemed a consent by the nondefaulting party of such breach or default and shall not stop, bar, or prevent the non-defaulting party from thereafter terminating this Agreement, either for such violation of for prior or subsequent violation of any covenant hereof that has not been cured. In the event any agreement contained in this Agreement should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 11.07. <u>Dispute Resolution</u>. Prior to resort to litigation, the parties shall endeavor to resolve all disputes arising as to this Agreement by mediation before a mutually agreed mediator the cost of which shall be shared by the parties.

ARTICLE XII TITLE

Section 12.01 <u>Title to School Site</u>. During the Term hereof, Lessor shall hold legal title to the School Site and all additions which comprise repairs, replacements, substitutions, or modifications, subject to School's rights, both legal and equitable, under New Mexico statutory and common law.

Section 12.02 <u>Public Property.</u> Upon approval of this Agreement by the Public Education Department and the Public School Facilities Authority, and execution of this Agreement by the parties, the School Site shall be considered a public property pursuant to NMSA 1978, §22-26A-5.1(B).

ARTICLE XIII HAZARDOUS MATERIALS LAWS

Section 13.01 <u>Compliance with all Hazardous Materials Laws</u>. As of the Commencement Date, School, shall at all times keep and maintain the School Site in compliance with and shall not cause or permit the School Site or any activities conducted thereon to be in violation of any federal, state or local law, ordinance or regulation relating to commercial or industrial hygiene, environmental safety or the environmental conditions on, under or about the School Site, including, but not limited to, air, soil, subsurface and ground water conditions. School shall not permit any subtenant or other occupant of the School Site, except in accordance with applicable Hazardous Materials Laws as hereinafter defined, to use, generate, manufacture, store, produce, release, discharge, dispose of or otherwise permit the presence of, on, under or about the premises or transport to or from the School Site any

explosives (flammable or otherwise), radioactive materials, pollutants, contaminants, hazardous wastes, hazardous air pollutants, toxic substances or related materials, including, without limitation, any substances defined as or included in the definition of "hazardous substances," "hazardous wastes," "hazardous materials," "hazardous pollutants" or "toxic substances" under any applicable federal or state laws or regulations (collectively referred to hereinafter as "Hazardous Materials"). Hazardous materials shall include petroleum products. Upon request of Lessor, School will prepare and provide such reports as will evidence compliance by School with Hazardous Materials Laws, and which will evidence that the School Site and the uses thereon are in compliance with Hazardous Materials Laws. Either party shall immediately advise the other party in writing of its discovery of or receipt of notice of: (i) any and all enforcement, cleanup, removal or other governmental or regulatory actions instituted, completed or threatened pursuant to any applicable federal, state or local laws, ordinances, regulations, orders or publications relating to any Hazardous Materials affecting the School Site ("Hazardous Materials Laws"); (ii) any use, generation, manufacture, production, release, discharge, storage or disposal of Hazardous Materials, or substantial threat of any of the foregoing, on, under or about the School Site; (iii) all claims made or threatened by any third party against a party or the School Site relating to damage, contribution, cost recovery compensation, loss or injury resulting from any Hazardous Materials (the matters set forth in clauses (i) and (iii) above are hereinafter referred to as "Hazardous Materials Claims"); and (iv) any occurrence or condition on any property adjoining or in the vicinity of the School Site that could cause the School Site to be subject to any restrictions on the ownership, Completion, transferability or use of the premises under any Hazardous Materials Law.

Section 13.02 <u>School's Responsibility</u>. As pertaining to the School Site, and only to the extent authorized by law for a New Mexico charter school, for the period covered by the Lease and after acceptance of the School Site by School according to the terms of this Agreement, School shall be solely responsible to pay or otherwise satisfy any claim, written notice or demand, penalty, fine, settlement, loss, damage, cost, expense or liability made against Lessor or School directly or indirectly arising out of or attributable to the violation by School of any Hazardous Materials Law, orders, written notice or demand of governmental authorities, or the use, generation, manufacture, storage, release, threatened release, discharge, disposal, production, abatement or presence of Hazardous Materials on, under or about the premises including, without limitation: the costs of any required or necessary investigation, repair, cleanup or detoxification of the School Site, and the preparation and implementation of any closure, abatement, containment, remedial or other required plan and shall to the extent allowable by law applicable to public schools, indemnify Lessor and hold Lessor harmless from any such claim, demand, penalty, fine, settlement, loss, damage, cost, expense or liability subject to the limitations and waivers contained in the New Mexico Tort Claims Act and any insurance coverage issued pursuant thereto.

Section 13.03 <u>Remedial Action Required</u>. Absent Lessor's prior written consent, which shall not be unreasonably withheld, School shall not take any remedial action in response to the presence of any Hazardous Materials on, under, or about the School Site, nor enter into any settlement agreement, consent decree, or other compromise in response to any Hazardous Materials claim, which remedial action, settlement, consent or compromise might, in Lessor's reasonable judgment, impair the value of Lessor's fee interest in the School Site; provided, however, that prior consent shall not be necessary in the event that: (i)(a) the presence of Hazardous Materials on, under, or about the School Site either poses an immediate threat or is of such a nature that an immediate remedial response is necessary; or (b) any delay in taking such remedial action would result in the imposition of periodic or daily fines; and (c) such action is required by government order; and (ii) it is not possible to obtain Lessor's consent before taking such action; provided that in such event notice shall be given as soon as practicable of any action so taken. Lessor agrees not to withhold its consent, where such consent is required hereunder, if either (i) a particular remedial action is ordered by a court of competent jurisdiction, or (ii) School establishes to the reasonable satisfaction of Lessor that there is no reasonable alternative to such remedial action that would result in less impairment to the value of Lessor's interest in the School Site.

RE: Proposed New Facility for the Southwest Aeronautics, Mathematics, and Science Academy

VIA E-MAIL

Ms. Brame,

The Public School Facilities Authority (PSFA) has reviewed the submitted construction drawings for the proposed new school facility for the Southwest Aeronautics, Mathematics, and Science Academy. The proposed new facility will be located at 6441 Ventana Ranch Road NW. PSFA understands that the charter school plans to obtain a lease purchase agreement for the land and proposed building to be constructed, and relocate to this facility.

The purpose of this plan review was to determine if the proposed facility is in concurrence with the requirements for a Lease Purchase Agreement, pursuant to 22-8B-4.2 NMSA 1978 and 22-20-1 NMSA 1978. The proposed building must have a weighted New Mexico Condition Index (wNMCI) score equal to or better than the current statewide average, meet the statewide adequacy standards, and meet Educational Occupancy standards.

The PSFA is pleased to advise you that the assumed wNMCI score for this new facility will be 0.0%. This score is better (lower is better) than the current wNMCI statewide average of 23.4%, as required by statute.

Analysis of the planned classroom space, for an assumed enrollment cap of 400, indicates the facility will meet the Statewide Adequacy Standards requirements issued by the PSCOC and set forth within 6.27.30 NMAC.

The construction drawings reflect an Educational Occupancy.

This letter confirms that the proposed facility for the Southwest Aeronautics, Mathematics, and Science Academy fulfils the required criteria for a charter school entering a Lease Purchase Agreement.

Please keep the PSFA apprised of the construction and relocation progress. The PSFA will conduct an assessment of the facility once construction is complete.

Please feel free to contact me if you have any questions or concerns regarding this correspondence.

Respectfully,

Alyce Ramos

ADDENDUM TO LEASE PURCHASE AGREEMENT

THIS ADDENDUM TO LEASE PURCHASE ARRANGEMENT, dated as of _____, __2021 ("Addendum"), is made and executed by and between RM SAMS, LLC, a New Mexico limited liability company as Lessor ("Lessor"), and Southwest Aeronautics, Mathematics & Science Academy, a New Mexico public school as Lessee ("School").

School's obligations to enter into or continue its obligations under LPA are contingent upon.

- 1. At the Closing, the Lessor shall cause to be issued to the School a standard ALTA form of leasehold owner's title insurance policy with respect to the School Site in the amount of the Purchase Price. The leasehold title insurance policy shall contain only those exceptions consented to by the School pursuant to the provisions of this Agreement, plus any additional exceptions required by the Title Company after its review of the survey to be provided in connection with Lessor's purchase of the Property and which are accepted by the School in writing ("Permitted Exceptions"). The Lessor shall pay the base cost of the leasehold owner's title insurance policy and the School shall pay for the additional costs for extended title insurance coverage and title insurance endorsements required by the School, including the cost to remove standard exceptions 1 through 7. The leasehold title policy shall contain as few exceptions as possible related to Ventana Ranch. Notwithstanding that a leasehold title policy issued at closing may contain exceptions related to Ventana Ranch, Lessor agrees and affirms that it is currently and will continue efforts post-closing to remove any exceptions in the title policy for any recorded documents indicating that the Land and School Site are subject to any covenants, restrictions, assessments, charges, servitudes, liens, reservations and easements for Ventana Ranch or related to the Ventana Ranch subdivision. In the event the leasehold title policy cannot be issued without such exceptions, Lessor shall reimburse, or cause to be reimbursed, School for any costs associated with compliance therefor and intends to be responsible for any such costs until such time as said exceptions may or can be removed from the title policy at Lessor's sole expense. Without limiting Lessor's obligations, as set forth above, to make efforts to ensure that the School Site is not subject to any recorded documents indicating that the Land and School Site are subject to any covenants, restrictions, assessments, charges, servitudes, liens, reservations and easements for Ventana Ranch or related to the Ventana Ranch subdivision, Lessor will specifically do the following to ensure that School may receive a leasehold title insurance policy free of exceptions related to any subdivision or association including but not limited to the Ventana Ranch Subdivision or the Ventana Ranch Community Association ("Association"):
 - a. Lessor shall pay for all legal services required by the Association to amend the Declaration of Covenants, Conditions, Restrictions, Assessments, Charges, Servitudes, Liens, Reservations and Easement for Ventana Ranch recorded March 5, 1996 in Book 96-6, Page 6759-6804 in the records of Bernalillo County, New Mexico ("Declaration") to remove the Land and School Site from the property subject to the Declaration and to vacate, rescind, or otherwise make void the Supplemental and Amended Declaration of Covenants, Conditions, Restrictions, Assessments, Charges, Servitudes, Liens, Reservations, and Easements for Tracts A-2, Ventana Ranch recorded August 6, 2000 at Book A4, Page 3503 in the records of Bernalillo County, New Mexico ("Supplemental Declaration");
 - b. In the event Lessor's efforts to have the Declaration amended to remove the Land and School Site from the property subject to the Declaration and to vacate, rescind, or otherwise make void the Supplemental Declaration fail, Lessor shall at its expense, not later than December 1, 2021, initiate a quiet title action, naming all potential claimants and owners in La Ventana subdivision, and pursue the quiet title action to conclusion in an effort to remove the Land and School Site from the

property subject to the Declaration and to vacate, rescind, or otherwise make void the Supplemental Declaration; and

- c. As soon as reasonably possible upon the success of such efforts, cause the Title Company, at Lessor's expense, to issue a new leasehold title policy, or amendment to the existing one, free of exceptions related to the Declaration, Supplemental Declaration, or any subdivision or association including but not limited to the Ventana Ranch Subdivision or the Ventana Ranch Community Association.
- d. Lessor shall provide a status report to School on Lessor's progress in removing any covenants, restrictions, assessments, charges, servitudes, liens, reservations and easements for Ventana Ranch or related to the Ventana Ranch subdivision upon the request of the School but not more frequently than once every 30 days.
- 2. No portion of the Purchase Price shall include costs associated with a Water and Wastewater Agreement between New Mexico Utilities, Inc. and Las Ventanas Limited Partnership recorded in Bernalillo County property records on February 24, 1998, Bk 9805, Page 8735, as Instrument 1998020196, or an Agreement between Las Ventanas Limited Partnership and New Mexico Utilities, Inc. recorded in Bernalillo County property records on February 24, 1998, Bk 9805, Page 8738, as Instrument 1998020199. Lessor will indemnify School for all costs associated with such agreements.
- 3. School shall have obtained all required Public Agencies Approvals to purchase the School Site through an LPA. Said approvals shall include the following:
 - i. PED's approval of the LPA as provided by NMSA 1978, §22-26A-4 and PED requirements;
 - ii. PSFA's approval for the School to lease-purchase the School Site if constructed according to the Approved Plans; and
 - iii. PSFA's approve for the School to relocate its school to the Property in accordance with NMSA 1978 Section 22-8B-4.2(C), which requires that the Improvements as planned receive a condition rating equal to or better than the average condition for all New Mexico public schools and pursuant to NMSA 1978, §22-20-1(A).

4. On or before Closing, Lessor shall have delivered to School and School's attorney, the following documents:

- a) All surveys obtained by Lessor and/or provided to Lessor by Land Owner;
- b) All construction and site plans related to the School Site and infrastructure improvements to be made on the Property by either the Lessor or as required by Land Owner in the Agreement to Purchase Real Property between Lessor and Land Owner;

- d) All studies, warranties and contracts related to the ownership of the Property;

- e) All inspections reports obtained by Lessor as part of acquisition of the Land Sale, and as obtained by Lessor to develop the Property as contemplated in this Agreement and the Pre-Development Services Agreement signed by Lessor on October 26, 2020. ("Inspection Reports");
- f) All notices or reports regarding the Property, including notices and reports that have been received from governmental authorities;
- g) Copies of all actions, suits or proceedings pending or threatened before any court, governmental department, commission, board, bureau, agency, or instrumentality that would affect the Property, or the right or ability of the Lessor to comply with all of the terms of this Agreement;
- h) The most recent appraisal of the Property;
- i) Leasehold title policy commitment and title documents;
- j) Any property tax history from the previous two (2) years; and
- k) All other materials in Lessor's possession reasonably relating to the Property or contemplated Improvements.
- 5. <u>School's Representations and Warranties</u>. School hereby represents and warrants that the following are true statements of law and fact on the date hereof and shall be true statements of law and fact on the Closing Date.

¹The School received a Public School Capital Outlay Council Lease Assistance Award for FY2021 in the amount stated. This amount is based the PSCOC's revised formula for calculating charter school lease grants. The School anticipates that grant award eligibility will increase by adding classroom space and in the future the PSCOC lease assistance will increase. The Public School Capital Outlay Act, at NMSA 1978, §22-24-4(I) provides for an annual CPI adjustment to the per-member funding amount, however, the Lessee has not forecasted any potential increase or decrease.

²Based on 2021 mill levy proceeds (SB9) received, the Lessee estimates that \$95,000.00 per year will be available to supplement the Lease Assistance Award, to the extent required to cover the Base Rent obligation.

³Based on 20201 mill levy proceeds (HB33) received, the Lessee estimates that \$<u>190,000.00</u> per year will be available to supplement the Lease Assistance Award, to the extent required to cover the Base Rent obligation. In addition, the School anticipates sufficient HB33 revenues to pay anticipated advanced principal payments as set forth in the LPA, i.e. \$100,000 per annum starting after 60 months.

The School plans to use additional capital funds in excess of those amounts required to pay Base Rent under the Lease Purchase Arrangement for purposes making additional principal payments each year (Public School Capital Improvements Act, NMSA 1978, §22-25-1, *et seq.*; Public School Buildings Act, NMSA 1978, §22-26-1, *et seq.*)
