Business Rules

- All enrollment records and locations that are active on the snapshot dates (e.g., the 1st, 2nd, 3rd, and 4th reporting periods).
 - Inclusion/Exclusion include when a student is reported as enrolled in more than one school on the same snapshot date, the record where the student was enrolled the longest during the reporting period is used and the other excluded; and if the student was enrolled for the same number of days use the location where the student was enrolled during the next subsequent snapshot during the school year and the other record is excluded
- If a student's attendance records were not reported in STARS during the school year, or if the sum total number of days enrolled is less than 10 for all locations, the student is coded ineligible

Business Rules, *cont.*

- Priority in assigning student characteristics among multiple snapshots is as follows:

Most Recent	"If Ever" (present at any of the 4 snapshot dates)	Prioritize 3 rd , 2 nd , 1 st and then 4 th reporting periods	N/A
Student names Birthdate Gender Hispanic Race Military Years in U.S. Schools Plan 504	Free or Reduced Lunch Direct Certification Special Education English Learner Homeless	Grade Level	Migrant Foster
