

New Mexico Public Education Commission (PEC)

Personnel Change Notification Instructions

Purpose: To notify the Public Education Commission (PEC) of a change in the school's Head Administrator, Business Manager or Procurement Officer.

Submission Deadline: Changes to the school personnel do not require prior approval of the PEC; however, notice must be received within 30 calendar days of the change. Only one personnel change may be submitted per form. If more than one personnel change is being submitted, the school must submit separate forms.

Notifications completed 14 days prior to the next PEC meeting will be placed on the next agenda. Notifications of this type are typically placed on the consent agenda; however, any notification may be removed from the consent agenda and moved to the regular agenda for full discussion and possible action by the PEC.

Meeting minutes of the governing board of the school and the PEC will serve as an amendment to, or compliance with, the charter contract regarding this personnel change. Business Manager and Procurement Officer changes will be added to the board of finance documentation on file with CSD.

The school must provide:
