ARSENIO ROMERO, PH.D. SECRETARY OF EDUCATION MICHELLE LUJAN GRISHAM GOVERNOR

## Charter Schools Division 2022-23 Annual Report February 6, 2024

- School Name: Roots and Wings Community School
- School Address: 35 La Lama Road Questa, NM 87556
- Head Administrator: Jon Orris
- Governing Board Chair: Scotney Blackburn
- Business Manager: Sarah Piña
- Authorized Grade Levels: K-8
- Grade Levels Served: K-8
- Authorized Enrollment Cap: 60
- **2022-23 End of Year Enrollment:** 47<sup>1</sup>
- Contract Term: 2021-2026

Waivers: Evaluation Standards for School Performance

#### Mission:

The mission of Roots and Wings Charter School is to inspire our students to academic and personal excellence. Our innovative learning community creates classroom, farm and wilderness adventure - engaging the head, hands and heart - enabling students to achieve more than they think possible and to take an active role in our ever-changing world.

2022-23 Annual Report 02.06.24: Roots and Wings Community School

<sup>&</sup>lt;sup>1</sup> School reports EOY enrollment of 50, however, enrollment report from STARS indicates 47.

### **Educational Program:**

5.1.1 Roots & Wings Community School make education relevant, experiential. compelling and engaging. Because of this, the RWCS is inspired by Expeditionary Learning (EL Education), a nationally acclaimed school reform program with an emphasis upon adventurous learning and a proven record of significant student academic improvement. At the center of the RWCS curriculum is the concept of the "Learning Expedition," an engaging interdisciplinary, academically rigorous thematic unit that is project-based and lasts for many weeks. Each Learning Expedition at RWCS is aligned with the New Mexico State Content Standards, Common Core State Standards, and the Next Generation Science Standards.

5.1.2 At least 3 times per year, teachers are provided professional development in disaggregation of data. Data analysis following assessments is key to finding out where students are at academically and making changes in program delivery as necessary to meet the needs of all students for academic achievement.

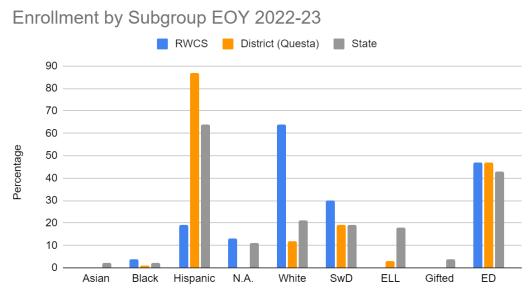

5.1.3 The school offers front country adventures (grades K-2), three-day backpack trips (grades 3-5), and five-day backpack trips (grades 6-8) through which they experience the wonders of the wilderness and the transformation that comes from pushing themselves beyond their perceived limits. The experiences are provided at least two times a year. Students come to the school for these types of outdoor opportunities that are not offered in most public schools.

5.1.4 Each student at our school is a member of a crew. Our primary focus in Crew is to ensure that each student:

- (1) is known well by at least one adult within the school and
- (2) is an active member of a consistent and on-going small-scale peer community.
- 5.1.5 Student-Led Conferences

All parents are encouraged to attend student-led conferences twice per year. In a student-led conference, students reflect on their progress in all subjects, which are aligned with the Common Core State Standards. They do this by doing deep reflections over multiple drafts of their work. Students are required to show their areas of strength and weakness in these student-led conferences, which offers hugely valuable information for parents to understand exactly what their students are learning and the ways in which they are growing.

#### Demographics as reported in STARS 2022-23 End of Year (EOY)

Source: STARS Enrollment Subgroup Percentages with Averages

#### **Academic Performance**

Academic Performance Framework Indicators	2022-23 Score (100 points possible)
1: State Accountability System: NMVistas Overall Score	51
2: Subgroup performance: high, middle, and low-performing quartiles	unavailable
3: School-specific Goals: if two goals, average of points on each	100
Overall Academic Score: average of indicators 1 and 3	75.5

#### State Accountability System:

State and federal statute mandates accountability for all public schools. This section provides a snapshot of the school's academic performance according to data collected by the Public Education Department (PED) for the 2022-23 school year.

The New Mexico State Accountability System (<u>NMVISTAS</u>) gives every public school in the state an overall score. For 2022-23, NMVistas scored schools according to the following designations:

- School of Excellence: Schools performing in the top 10% of all schools on the NMVistas school index.
- Spotlight School: Schools performing in the next 15% of all schools on the NMVistas school index.

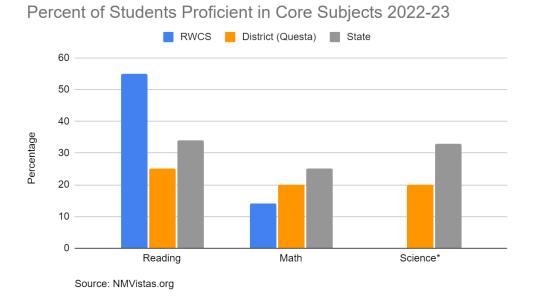

- Traditional School: Schools performing below the top 25% of schools and not designated for additional supports per the following designations.
- Targeted Support and Improvement School (TSI): Schools serving a student group that falls below the cutoff for CSI schools (described below).
- Additional Targeted Support and Improvement (ATSI): TSI schools serving a student group that is performing in the lowest 5% of all schools.
- Comprehensive Support School (CSI): Title I schools that are:
  - o performing in the lowest 5% of Title I schools in New Mexico as identified by the school index score;
  - o have an average four-year graduation rate less than or equal to 66.67% over the past three years;
  - o a Title I school that was previously identified as ATSI due to low performing subgroups that has not demonstrated sufficient improvement in those subgroups over 3 years; or
  - o the department may identify additional schools as CSI schools as deemed necessary.
- More Rigorous Intervention (MRI): Schools not exiting CSI status after 3 years receiving support.

Details and criteria for each type of designation are provided on the <u>NMVISTAS</u> web page.

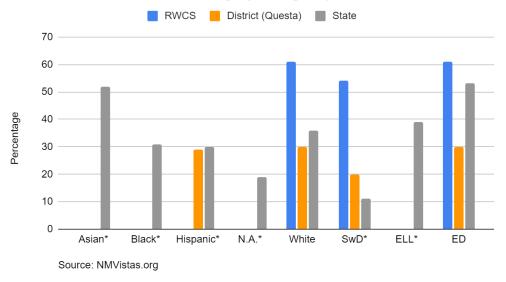

For the school year 2022-23, Roots and Wings Community School received a designation of Traditional.

#### Proficiency

Because science is assessed only in grades 5, 8, and 11, schools that do not serve these grades do not have science proficiency data.

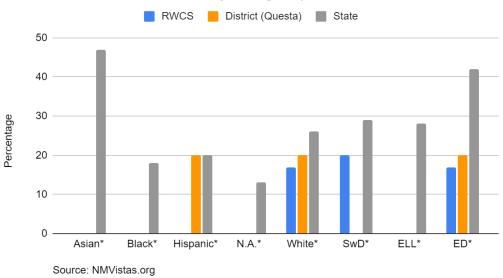

\*Note: science is masked for RWCS due to population size. District populations are also masked, ≤20% in math and science.

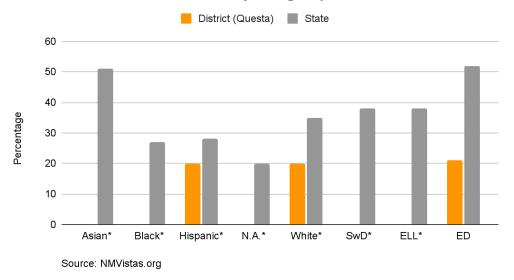

## Percent Proficient in Reading by Subgroup 2022-23

\*Note: groups are masked due to population size, and/or some groups are not represented in the school or district. District students with disabilities also masked, ≤20% in reading.

Percent Proficient in Math by Subgroup 2022-23

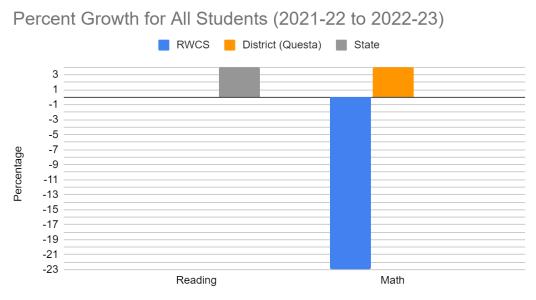

\*Note: groups are masked due to population size, and/or some groups are not represented in the school or district. Students with disabilities at the school also masked, ≤20% in math. District populations are also masked, ≤20% in math for Hispanic, white, and economically disadvantaged.

## Percent Proficient in Science by Subgroup 2022-23

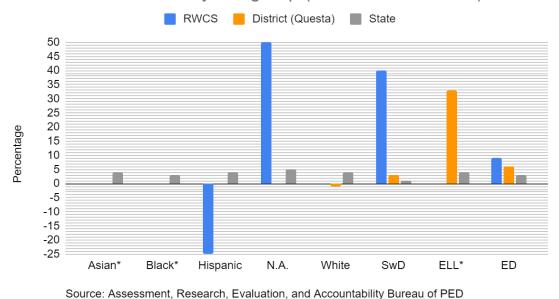

\*Note: School data for science is masked due to population size. District groups are masked due to population size, and/or some groups are not represented. District Hispanic and white populations are also masked, ≤20% in science.

#### Improvement (Growth)

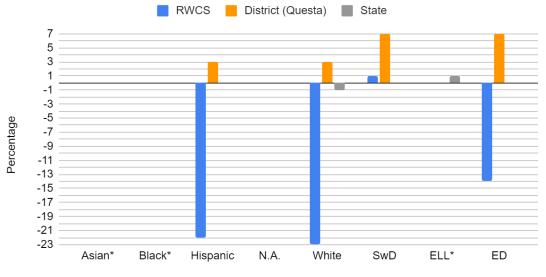

\*Note: Reading growth was 0% for school and district, and math growth was 0% for the state for SY2023.

## ELA Percent Growth by Subgroup (2021-22 to 2022-23)

\*Note: groups are masked due to population size.

\*Note: groups are masked due to population size.

### English Learner Progress (NMVistas): 0%

#### **Mission-Specific Goals**

**Goal 1:** : 75-90% of students, enrolled on both the 40th and 120th days, score 3.5 or above on the portfolio rubric.

• Students participate in two student-led conferences (SLC) per school year that include reflection on a rubric of Habits of Work and Learning (HOWL's).

• Measurement tool (portfolio rubric) is administered once per year at the end-of-year student-led conference, by the lead cohort teacher to the student.

Performance Level	Target	Points
Exceeds Standard	Greater than 90% of students, enrolled on both the 40th and 120th days, score 3.5 or above on the portfolio rubric.	100
Meets Standard	At least 75% of students, enrolled on both the 40th and 120th days, score 3.5 or above on the portfolio rubric.	75
Does Not Meet Standard	At least 50% of students, enrolled on both the 40th and 120th days, score 3.5 or above on the portfolio rubric.	25
Falls Far Below Standard	Less than 50% of students, enrolled on both the 40th and 120th days, score 3.5 or above on the portfolio rubric.	0

Rating: Exceeds Standard- 93.6% student attainment- 100 pts.

# **Organizational and Financial Performance Framework**

## 2022-23 Overall Rating: Meets Standard

Pursuant to the <u>PEC Performance Framework and Accountability System</u>, schools receive ratings of **Meets Standard**, **Working to Meet Standard**, or **Does Not Meet Standard** for individual indicators in the framework. Explanations for any rating other that Meets Standard are provided below.

The school also receives an overall rating of either **Meets Standard** or **Does Not Meet Standard** for the year. If a school receives a **Does Not Meet Standard** rating for three or more indicators, it will receive an overall rating of **Does Not Meet Standard**.

If a school receives a **Does Not Meet Standard** rating, on any indicator, the CSD and PEC may conduct a closer review the following year on that indicator, and/or the PEC may require the school to submit a corrective action plan in order to specify actions and a timeline to correct the performance deficiency.

A school may receive a **Working to Meet Standard** rating on multiple indicators and still receive an overall rating of **Meets Standard**. If a school receives this rating across multiple years, the CSD and PEC

may conduct a closer review the following year on that indicator, and the school will need to address the issue in its renewal application at the end of its charter term.
