Mission:

Taos Integrated School of the Arts will provide its students with an exceptional education that meets or exceeds all New Mexico State Standards. The course of study will be based on an Arts-integrated curriculum that is multicultural and meets all Common Core State Standards. School and student performance will be measured by New Mexico's Public Education annual assessments, nationally recognized short-cycle assessments, student portfolios, and student performances in the Arts domain. The School will cultivate academic skills and knowledge to help all students achieve their highest potential as artistically-minded lifelong learners.

Educational Program:

Our educational philosophy includes the belief that teaching is both a science and an art. We believe an arts-integrated curriculum facilitates and inspires learning. The arts integration is the thread that holds integrated/thematic instruction together.

- i. Multicultural studies and understanding is vital to success for students as evidenced by lesson plans.
- ii. The School’s educational approach is to provide common core standards instruction through an arts-integrated approach. We deliver traditional instruction in the core subjects and then infuse art projects (including dance, drama, music, visual arts) into each unit of study. This is evidenced via lesson plans and activities, as well as the student electronic portfolios.

State Accountability System:

State and federal statute mandates accountability for all public schools. This section provides a snapshot of the school's academic performance according to data collected by the Public Education Department (PED) for the 2022-23 school year.

The New Mexico State Accountability System ([NMVISTAS](#)) gives every public school in the state an overall score. For 2022-23, NMVistas scored schools according to the following designations:

- School of Excellence: Schools performing in the top 10% of all schools on the NMVistas school index.
- Spotlight School: Schools performing in the next 15% of all schools on the NMVistas school index.
- Traditional School: Schools performing below the top 25% of schools and not designated for additional supports per the following designations.
- Targeted Support and Improvement School (TSI): Schools serving a student group that falls below the cutoff for CSI schools (described below).
- Additional Targeted Support and Improvement (ATSI): TSI schools serving a student group that is performing in the lowest 5% of all schools.
- Comprehensive Support School (CSI): Title I schools that are:
 - o performing in the lowest 5% of Title I schools in New Mexico as identified by the school index score;
 - o have an average four-year graduation rate less than or equal to 66.67% over the past three years;
 - o a Title I school that was previously identified as ATSI due to low performing subgroups that has not demonstrated sufficient improvement in those subgroups over 3 years; or
 - o the department may identify additional schools as CSI schools as deemed necessary.
- More Rigorous Intervention (MRI): Schools not exiting CSI status after 3 years receiving support.

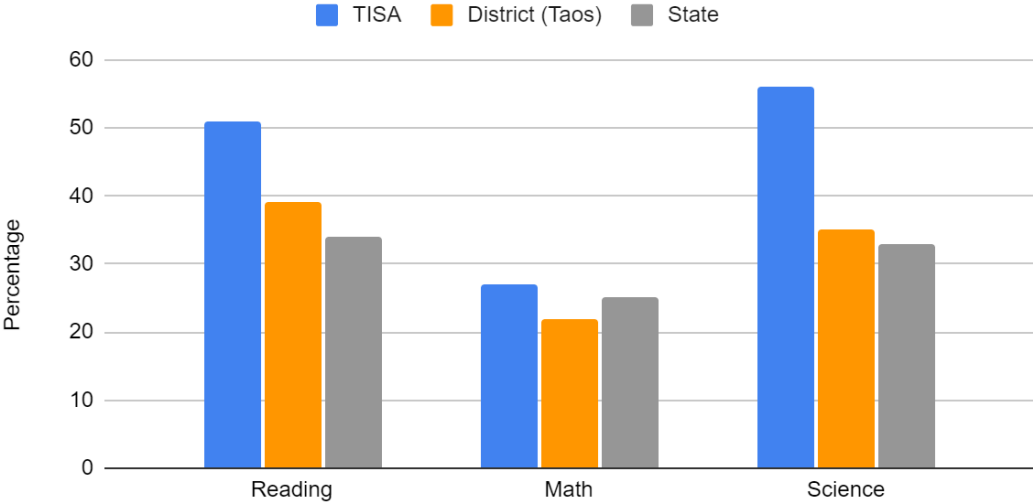

Details and criteria for each type of designation are provided on the [NMVISTAS](#) web page.

For the school year 2022-23, **Taos Integrated School for the Arts** received a designation of **Spotlight**.

Proficiency

Because science is assessed only in grades 5, 8, and 11, schools that do not serve these grades do not have science proficiency data.

Organizational and Financial Performance Framework

2022-23 Overall Rating: Meets Standard

Pursuant to the [PEC Performance Framework and Accountability System](#), schools receive ratings of **Meets Standard**, **Working to Meet Standard**, or **Does Not Meet Standard** for individual indicators in the framework. Explanations for any rating other that Meets Standard are provided below.

The school also receives an overall rating of either **Meets Standard** or **Does Not Meet Standard** for the year. If a school receives a **Does Not Meet Standard** rating for three or more indicators, it will receive an overall rating of **Does Not Meet Standard**.

If a school receives a **Does Not Meet Standard** rating, on any indicator, the CSD and PEC may conduct a closer review the following year on that indicator, and/or the PEC may require the school to submit a corrective action plan in order to specify actions and a timeline to correct the performance deficiency.

A school may receive a **Working to Meet Standard** rating on multiple indicators and still receive an overall rating of **Meets Standard**. If a school receives this rating across multiple years, the CSD and PEC may conduct a closer review the following year on that indicator, and the school will need to address the issue in its renewal application at the end of its charter term.
