

COMMUNITY WIDE SURVEY

Commitment by students, staff, families and community partners to support whole school transformation through local community voice, collaborative leadership and the community school strategy. These surveys are NOT required for application. This is an OPTIONAL indicator in the application and if completed, will provide the applicant school bonus points on the rubric.

Please reach out to your QMC to receive the links for the survey: [Welcome to Community Schools 2024/25 Grant Application \(google.com\)](#)

If a school completed the surveys from the readiness toolkit prior to the application that matches the exact questions of the survey, please use this following template to upload:

Upload all raw data from the surveys into a PDF. Include all participants, number of participants and raw answer data.
