Change transportation language to require districts to add in charters if feasible or to allow charters to combine to provide funding	22-8B-4 I. A locally chartered charter school shall negotiate with a school district to provide transportation to students eligible for transportation under the provisions of the Public School Code [Chapter 22 NMSA 1978]. The school district, in conjunction with the charter school, may establish a limit for student transportation to and from the charter school site not to extend beyond the school district boundary	Sponsor?	PEC supportive in discussion. No vote taken
Adequate funding for transportation for State Charter schools			Subcommittee
Capacity to take over a board by some entity rather than removing a board of finance or closing a school.			What can be done without legislation?  If not functioning or everyone resigns
