2024 ESSA Plan Amendments

The PED is undertaking a revision of our consolidated state plan under the Every Student Succeeds Act (ESSA) as one of the levers that the state agency will use to **support a renewed vision and mission of education throughout New Mexico**. ESSA is the reauthorization of the Federal education law that gives the NMPED more flexibility to make decisions that are right for students and families.

We want to **leverage your expertise as New Mexicans**—our students, parents, teachers, school leaders, Tribes, business leaders, and community members. All the information you share will be leveraged to ensure our approach represents the educational values of New Mexicans.

ESSA Plan Sections:

- Title I, Part A (Improving Basic Programs Operated by LEAs)
- Title I, Part C (Education of Migratory Children)
- Title I, Part D (Children Who Are Neglected, Delinquent, or At-Risk)
- Title II, Part A (Supporting Effective Instruction)
- Title III, Part A (English Language Acquisition, Language Enhancement)
