Dear :

Thank you for all of your hard work to support children in New Mexico. As you know, the Charter School Division (CSD) has completed its annual report for SY 2022-2023 for your school and presented this report along with your responses to the Public Education Commission (PEC) at its January 2024 meeting.

As outlined in New Mexico rule NMAC 6.2.9.12 and 13<sup>4</sup>, the PEC has accepted this corrected annual report. Further, as set out in the rule, the PEC asked me to provide you with notice that the PEC has issued an overall annual report notice of unsatisfactory performance related to

- student academic growth, proficiency and graduation rates of students as identified on pages 2-8 of the annual report and
- organizational concerns listed on page 10, indicators 4.c. and 5.c. of the annual report,

Of particular concern is that the school is performing at lower levels than the district and the state. The PEC expects improved outcomes in the next annual report. We appreciate your work to improve the issues at the school and outcomes for students.

The contract and all annual reports for the school are located here: <https://webnew.ped.state.nm.us/bureaus/public-education-commission/charter-school-contracts/> You will work with your staff and board and report your progress the CSD through the annual site visit and report process to show your progress. If you are successful in improving the performance, CSD will report that in the next annual report, and the concerns will be identified as corrected. If you are not successful (which we hope will not be the case), the school may receive a notice of uncorrected unsatisfactory performance next year which could impact the rating for the school and the ultimate renewal of the school. Please note that the school is not being placed on the intervention ladder, but rather should work internally to correct these issues. However, if improvements are not made, the school could be placed on the intervention ladder next year.

The SY 2022-2023 annual report and this letter will be made a part of the record of performance of the school. Please feel free to reach out to CSD or me with any questions. On behalf of the Commission, I thank you for your efforts.

Sincerely,

*e/Alan Brauer*
