Charter Law

22-8B.-9

A. The chartering authority shall enter into a contract with the governing body of the applicant charter school within thirty days of approval of the charter application. The charter contract shall be the final authorization for the charter school and shall be part of the charter. If the chartering authority and the applicant charter school fail to agree upon the terms of or enter into a contract within thirty days of the approval of the charter application, either party may appeal to the secretary to finalize the terms of the contract; provided that such appeal must be provided in writing to the secretary within forty-five days of the approval of the charter application. Failure to enter into a charter contract or appeal to the secretary pursuant to this section precludes the chartering authority from chartering the school.

C. The process for revision or amendment to the terms of the charter contract shall be made only with the approval of the chartering authority and the governing body of the charter school. If they cannot agree, either party may appeal to the secretary as provided in Subsection A of this section.
