 - E. a desired resolution including specific language to clarify the Charter Contract,
- and

F. the names of proposed neutral mediators, along with a description of the qualification of the mediator and each person's availability within a 30-day time period to hear the dispute. The mediator shall not be an employee of the Department.

8.7.3 Continuation of Charter Contract Performance: The Governing Body and the Commission agree that the existence and details of a dispute under this Section 8.7 shall not excuse performance by either Party during the pendency of the dispute, except for any performance that may be directly affected by such dispute.

The mediator shall not be an employee of the Department.

8.7.5 Appointment of a Mediator and Mediation.

- A. Within five days of the written response, the Parties shall select a mutually acceptable mediator.
- B. If no mutually acceptable mediator has been selected within five days, the Parties will jointly request that, within 15 days of the Parties’ request, the Secretary identify an available, qualified and willing mediator. The mediator shall not be an employee of the Department.

Mission Specific Goals

The school has identified two Mission specific goals. Tracking sheets have been negotiated to score these goals annually and are attached to the contract documentation.

Introduction

The New Mexico Charter Schools Performance Framework supports the Public Education Commission (PEC), state-authorized charter schools, and the Charter Schools Division (CSD) in answering a series of three questions posed by an approach called [Results-Based Accountability](https://clearimpact.com/results-based-accountability/)TM: How much did each charter school do? How well did they do it? Is anyone better off as a result?¹ This process resulted in measures that include both *school-specific performance indicators* that give schools flexibility in capturing how their mission is being operationalized and fulfilled and *universal performance indicators* applied across all state-authorized charter schools. These universal performance indicators capture the PEC's priorities surrounding standard quality processes and outcomes across all schools in its portfolio.

The Performance Framework provides a roadmap for the annual evaluation of the performance of state-authorized charter schools and is a material term of the charter schools' contracts, as stated in NMSA §22-8B-9.1 (1978).

How the Performance Framework Is Used

As the authorizer of state-chartered schools, the PEC uses the Performance Framework as the primary tool for school monitoring and accountability. The PEC, in collaboration with the CSD, has designed the New Mexico Performance Framework to be more than just that. In addition to providing transparent criteria by which the PEC will consider to make informed charter authorization decisions, the Performance Framework is also intended to support all parties with the following:

- 1) Understanding where schools are strong and where they need support,
- 2) Supporting schools' internal continuous improvement efforts,
- 3) Identifying and celebrating promising practices and programs, and
- 4) Providing the PEC and individual schools with data and stories that help communicate a meaningful and positive narrative about New Mexican students, communities, and schools.

Statutory Requirements for the Performance Framework

This document meets the requirements of New Mexico Statutes Annotated §§ 22-8B-9 and 9.1, NMSA 1978, and will allow the PEC and CSD to effectively monitor school performance in a transparent and clear manner. According to § 22-8B-9(B.11), "the process and criteria that the chartering authority intends to use to annually monitor and evaluate the fiscal well-being, overall governance, and student performance of the charter school, including the method that the chartering authority intends to use to conduct the evaluation as required by Section 22-8B-12 NMSA 1978."

Further, the following is required for a performance framework:

§ 22-8B-9.1. Performance Framework

- A. The performance provisions in the charter contract shall be based on a Framework that clearly sets forth the academic and operations performance indicators and performance targets that will guide the chartering authority's evaluation of each charter school. The Performance Framework shall be a material term of the charter school contract and shall include performance indicators and performance targets for, at a minimum:
- (1) student academic performance;
 - (2) student academic growth;
 - (3) achievement gaps in both proficiency and growth between student subgroups;
 - (4) attendance;
 - (5) recurrent enrollment from year to year;
 - (6) if the charter school is a high school, post-secondary readiness;
 - (7) if the charter school is a high school, the graduation rate;
 - (8) financial performance and sustainability; and
 - (9) governing body performance, including compliance with all applicable laws, rules, and terms of the charter contract.
- B. Annual performance targets shall be set by each chartering authority in consultation with its charter schools and shall be designed to help each charter school meet applicable federal, state, and chartering authority expectations as set forth in the charter contracts to which the authority is a party.
- C. The performance framework shall allow for the inclusion of additional rigorous, valid, and reliable indicators proposed by a charter school to augment external evaluations of its performance, provided that the chartering authority shall approve the quality and rigor of such proposed indicators and the indicators are consistent with the purposes of the Charter Schools Act.
- D. The performance framework shall require the disaggregation of all student performance data collected in compliance with this section by student subgroup, including gender, race, poverty status, special education or gifted status, and English language learner.
- E. The chartering authority shall collect, analyze and report all data from state assessment tests in accordance with the performance Framework set forth in the charter contract for each charter school overseen by that chartering authority.

NMAC 6.2.9.11 – 6.2.9.13 provides further direction regarding how this Performance Framework and the performance indicators will be incorporated into the CSD annual reports and possibly form the basis for corrective action issued by the PEC to the school.

		4.B. Annual Financial Audit
		4.C. Financial Reporting and Compliance
		4.D. Fiscal Oversight
		4.E. Enrollment Variance

For each performance indicator, the PEC has determined the performance measure and performance criteria. For a number of performance indicators in the Academic Framework, the PEC has embedded school choice in selecting performance measures. This provides flexibility for a school to demonstrate academic performance that is directly aligned with its mission, vision, and educational program and meets the needs of its families.

Annual Evaluation and Reports

Schools will receive an annual evaluation based on their performance on all three areas of the Performance Framework combined (Academic, Organizational and Financial). The annual evaluation provides the PEC and the public with information about the school's overall performance in the previous school year. The evaluation provides the school with useful information on their performance and transparency into their strengths and areas for improvement. The purpose of providing this evaluation is to set clear expectations, promote continuous improvement and provide clear results contained in the school's record of performance as required by NMAC 6.2.9.11.

The CSD may recommend, and the PEC may provide a notice of exemplary performance, a notice of satisfactory performance, a notice of unsatisfactory performance or a notice of uncorrected unsatisfactory performance based on the Annual Report. A school may receive a notice of unsatisfactory or uncorrected unsatisfactory performance for any indicator that scores below a "Meets Performance Expectations" even if a school earns an overall evaluation rating of "On Track for Expedited Renewal" or "On Track for Renewal."

PEC will then accept the annual reports, issue corrective action as it deems necessary during the term of the charter contract and make a decision on renewal at the end of the charter term on the full record of performance and consistent with § 22-8B-12, NMSA 1978 and NMAC 6.2.9.11, 12, 13, 16 and 17.

Overall Evaluation		
Tier Status	Likely Renewal Outcome ²	Description
Tier 1	On Track for Expedited Renewal	The school earns Meets or Exceeds for all performance indicators in all frameworks.
Tier 2	On Track for Renewal	The school earns a Meets or Exceeds in all performance indicators in the Academic Framework and earns Working to Meet or Meets for all performance indicators in the Financial and Operational Frameworks.
Tier 3	On Track for Renewal with Conditions or Possible Non-Renewal	The school earns Working to Meet in one or more performance indicators of the Academic Framework but does not meet the criteria for Does Not Meet Performance Expectations .
Tier 4	Not on Track for Renewal	Earns a Does Not Meet in 1.A or 1.B. or in three (3) or more performance indicators of the Academic Framework. OR The school earns (8) eight or more Does Not Meet ratings across the Academic, Organizational, and Financial Frameworks.

² While the Overall Evaluation provides a likely renewal outcome to provide transparency and clarity on the performance of a school, the designations are intended as an acknowledgment of positive performance or a warning and should trigger action on the part of the school to improve its performance. Actual non-renewal is a determination made by PEC only at the time of renewal based on a school's record of performance across the entire contract term.

Individual Performance Indicator Ratings

Each Performance Indicator will receive one of the following ratings based on the criteria established. Failure of the school to provide data will result in a "Does Not Meet" Performance Expectations.

Performance Indicator Rating	Definition
Exceeds Performance Expectations *Academic Framework Only*	The school's outcomes are exemplary in this academic performance indicator.
Meets Performance Expectations	The school's outcomes meet expectations in this performance indicator.
Working to Meet Performance Expectations	The school is showing inconsistencies in the performance indicator that may warrant oversight to ensure outcomes are met.
Does Not Meet Performance Expectations	The school is not meeting the expectations in the performance indicator, which warrants oversight ensure outcomes are met.
Not Applicable	Academic and Organizational Frameworks: The school is in its first year and lacks sufficient data to be rated. Financial Framework: The school is in its first two years of operation and lacks sufficient data; financials will be reviewed, however, and feedback provided.

Part I: Academic Framework

The PEC and CSD provide a fair and equitable academic oversight process for the public charter schools within PEC's portfolio. Therefore, this Academic Framework embeds choice for each school in determining the assessments used. Each school will negotiate with the PEC to include mission-specific measures and optional assessments. Results for each performance indicator will be determined annually and included in an overall performance rating.

Option ³	Performance Measure	Performance Criteria
1.A. State Accountability System: The school ensures students meet or exceed the expectations established by PED for all New Mexican students, including sufficient academic achievement and academic growth. ⁴		
1.A.2.	The school's overall performance on the state accountability system, AND Supplemental proficiency and growth data ⁵ using PED-approved nationally and/or state-normed assessments ⁶ or, under special circumstances, with PEC-approved rationale, nationally and/or state-normed assessments with explicit growth targets and business rules for calculating the growth target as agreed to in the school's charter contract. ⁷	Exceeds: 76 th to 99 th percentile on the state accountability system OR 51 st to 75 th percentile on the state accountability system AND , based on the school's assessment and growth measure ⁸ , at least 80% of students meet one or more of the following proficiency or growth criteria ⁹ in both reading and math: <ul style="list-style-type: none"> ● At or above grade level (or grade level equivalent) ● Meet their growth target ● Show the equivalent of one year's worth of growth ● Other, as defined by the testing company Meets: 51 st to 75 th percentile of all schools on the state accountability system OR 26 th to 50 th percentile on the state accountability system AND , based on the school's assessment and growth measure, at least 60% of students meet one or more of the proficiency or growth criteria.

³ One option will be chosen by each school for 1.A., 1.B., and 2.A. only. Options 1.A.1. and 1.B.1 are the default options; schools may negotiate options 1.A.2., 1.A.3. 1.B.2., and 1.B.3. during contract negotiations. The academic performance indicators negotiated as part of the charter contract and associated performance framework are intended to remain unchanged for the duration of the charter contract.

⁴ If the school selects Option 1.A.2. or 1.A.3. and fewer than 85% of students identified to be tested are tested on school-specific assessments, the results are considered invalid, and the school defaults to Option 1.A.1. If testing data are not provided to CSD for review by the timeline established by CSD, the results are considered invalid, and the school defaults to Option 1.A.1. If the school wishes to change assessments or growth targets, it is considered a material change of the contract and requires PEC approval prior to the change through a contract amendment.

⁵ In using the alternative assessment measure, the same students tested under the state accountability system will be tested under the alternative assessment measure as well. A school may negotiate with the PEC to test more students under the alternative assessment measure, but, in all cases, those students tested under the state accountability system will also be assessed under the alternative assessment measure.

Part II: Organizational Framework

The PEC and CSD are dedicated to providing a fair and equitable organizational oversight process for the state charter schools within PEC's portfolio. Therefore, this details the organizational requirements of state charter schools. Results for each performance indicator will be determined annually and included in an overall performance rating. The Organizational Framework has three categories and six performance indicators designed to encourage transparent, compliant public schools.

Performance Indicator	Performance Measure	Performance Criteria
3.A. Governing Body Membership, Training, and Responsibilities: The governing board effectively oversees the school's management to ensure that the school is financially responsible, compliant with applicable laws, and fulfilling its mission and the academic success of students.		
3.A.1. Membership	The number of governing council members stays within the range designated in the school's bylaws.	Meets: The number of governing council members stays within the range designated in bylaws during the school year, or if it drops below, all vacancies are filled within 45 days (or 75, with an extension provided by the CSD) Does Not Meet: The number of governing council members during the school year is below the number designated in bylaws for more than 45 days (or 75 with extension)
3.A.2. Training	All members of the governing body, and new members who have served for at least six months, have completed all training hours	Meets: All members of the governing body and new members who have served for at least six months on the school’s board have completed all training hours required by CSD and PEC by the end of the fiscal year. Working to Meet: At least 80% of total training hours combined for the governing body, and new members

¹⁵ The combined re-enrollment rate for all eligible students for elementary, middle, and high school grade bands. For each school, “eligible students” are defined by enrolling at the start of the previous school year (or Year 1) in one of the “starting grades.” Starting Grades are: K, 1, 2, 3,4, 6, 7, 9, 10, and 11. Students enrolling at the start of the previous school year in grades 5, 8, or 12 will not be considered in this measure, as students tend to switch schools for middle and high school and leave high school after 12th grade. A “re-enrolled student” is an “eligible student” who is enrolled in the school in the fall of the current year. CSD may take into consideration extraordinary circumstances and evaluate schools based on information as provided.

	required by CSD and PEC by the end of the fiscal year.	who have served for at least six (6) months have completed all training hours required by CSD and PEC by the end of the fiscal year. Does Not Meet: The school did not meet the criteria for Working to Meet.
3.A.3. Meeting Transparency and Documentation	The school is in compliance with publicly posting meetings, minutes, and calendar of meetings.	Meets: The school provides an accurate board calendar. For EVERY meeting in which a quorum of the governing body is present, the school (1) publicly posts a notification with the agenda at least 72 hours prior to the meeting and (2) publicly post on their website a board-approved copy of the minutes within ten (10) days after approval, which must occur at their next regularly scheduled board meeting. Working to Meet: The school provides an accurate board calendar. For at least 75% of the board meetings in which a quorum of the governing body is present, the school (1) publicly posts a notification with the agenda at least 72 hours prior to the meeting and (2) publicly post on their website a board-approved copy of the minutes within ten (10) days after approval, which must occur at their next regularly scheduled board meeting. Does Not Meet: The school fails to provide an accurate board calendar. For more than 25% of the meetings in which a quorum of the governing body is present, the school did not (1) publicly post notification with agenda at least 72 hours prior to the meeting or (2) publicly post a board-approved copy of the minutes within ten (10) days after the approval.
3.B. Equitable Enrollment Process: The school ensures that all families have the opportunity to learn about, apply to, and enroll in the school.

Part III: Financial Framework

The PEC and CSD are dedicated to protecting school autonomy while holding public charter schools within PEC’s portfolio to high standards. The Financial Framework has four performance indicators. Results for each performance indicator will be determined annually and included in an overall performance rating.

Performance Measure	Performance Criteria
<p>4.A. Days of Cash on Hand: The school demonstrates its financial health by having sufficient cash to ensure operations can withstand an immediate need.</p>	
<p>The school has the cash available to pay bills that meet or exceed the expectations established by PEC.</p>	<p>The school’s unrestricted days cash ratio is:</p> <p>Meets: ≥ 60 days OR > 30 days with a positive increase in the most recent fiscal year</p> <p>Working to Meet: > 30 days but does not meet the criteria for “Meets”</p> <p>Does Not Meet: ≤ 30 days</p>
<p>4.B. Annual Financial Audit: The school follows the Generally Accepted Accounting Principles (GAAP), financial management, and internal controls.</p>	
<p>The results of the financial audit demonstrate that the school meets basic expectations of financial oversight.</p>	<p>Meets: The school’s received audit has an unqualified opinion, is devoid of significant deficiency and material weakness findings, and does not include a going concern disclosure.</p> <p>Working to Meet: The school does not meet the criteria for “Meets” but demonstrates improvement from the previous year’s audit.</p> <p>Does Not Meet: The school’s received audit has a qualified opinion, includes a significant deficiency or material weakness finding, has a going concern disclosure, or the school does not submit a financial audit.</p>

<p>4.C. Financial Reporting and Compliance: The school demonstrates its ability to oversee public funding designated for New Mexico's students.</p>	
<p>The school and its governing board effectively establish and approve the budget and meet all financial reporting and compliance requirements. (NMSA 22-8-6.1 and 10)</p>	<p>Meets: The school submits all budget request documents and budget approval documents to the PED according to PED's established deadlines; submits quarterly reports according to PEDs established deadlines without frequent, repeated errors; and publicly posts all required reports.</p> <p>Working to Meet: Sometime during the fiscal year, the school was required to do monthly reporting; OR the school does not meet the criteria for "Meets" but does not meet the criteria for "Does Not Meet."</p> <p>Does Not Meet: The school consistently fails to submit required budget documents or reports according to PED's established deadlines; submits reports with frequent, repeated errors; or fails to publicly post required reports.</p>
<p>4.D. Fiscal Oversight: The school and its governing board effectively provide fiscal oversight by establishing, approving, and monitoring annual budget execution and safeguarding the financial health and activities of the school.</p>	
<p>1. The school has employed financial expertise and/or contracts with a licensed business manager and licensed procurement officer.</p> <p>The governing board:</p> <p>2. has adopted and maintains financial-related policies.</p> <p>3. reviews financial reports and statements, including a statement of net position, a budget to an actual statement of revenues, expenditures, and changes in fund balance, and a cash flow statement at all meetings.</p> <p>4. annually reviews the audited financial statements, related reports, and management letters and ensures all findings are addressed.</p> <p>5. has an audit committee that fulfills its requirements as described in statute.</p> <p>6. has a finance committee fulfills its requirements as described in statute.</p> <p>At least annually, the finance committee:</p> <p>7. tests internal audit controls.</p>	<p>Meets: The school and board provide evidence of compliance with the requirements of all seven indicators during the fiscal year.</p> <p>Working to Meet: The school and board provide evidence of compliance with the requirements of at least five of the seven indicators during the fiscal year.</p> <p>Does Not Meet: The school did not meet the criteria for Working to Meet.</p>

4.E. Enrollment Variance: The school's budgeted enrollment is close to its actual enrollment, requiring no or slight budget revisions.

The school makes accurate enrollment assumptions, resulting in a budget that is sound.

Enrollment variance (actual enrollment/budgeted enrollment) is:

Meets: $\geq 95\%$

Working to Meet: $< 95\%$ but $\geq 85\%$

Does Not Meet: $< 85\%$

JULIA BARNES: I wanted to flag on 4 Solare Collegiate that they were invited and took up 5 the PEC to both expand their cap -- I thought there 6 were two things -- the cap and grade levels. And so 7 that is in the new charter. It would be effective 8 as of July 1. But I just wanted to flag that for 9 you-all. 10 VICE CHAIR CARRILLO: Perfect. Thank you. 11 So Solare Collegiate Charter, I move that 12 the Public Education Commission approve the Charter 13 Contract and Exhibits, including Performance 14 Framework, for Solare Collegiate Charter School, 15 identified in Agenda Item 17, for the 2024-2029 16 charter term. 17 I further move that the Charter Contract 18 with the referenced attachments be signed by the 19 Chair and the completed documents be sent to the 20 school's governing board president for signature and 21 then posted on the PEC website. 22 COMMISSIONER INGHAM: Second. 23 THE CHAIR: So there was a motion by 24 Commissioner Carrillo -- and I think it was 25 Commissioner Brauer that --</p>

JULIA BARNES: I'm sorry. Let me -- I 25 skipped them. 283	<p>1 VICE CHAIR CARRILLO: I'll go on, and you 2 can put -- 3 MS. JULIA BARNES: Yeah. Let me make one 4 comment on Southwest Preparatory Learning Center. 5 They have a new name. Thank you for finding SODA so 6 we didn't skip them. 7 They have a new name that would start 8 July 1. As you know, the next school did an 9 amendment today, because they needed it today. We 10 are understanding that Southwest Preparatory does 11 not need their new name to start until July 1. So 12 they don't need to come -- and a change in their 13 mission. They don't need to come forward again, if 14 that's true. 15 VICE CHAIR CARRILLO: Okay. For Southwest 16 Preparatory Learning Center. Also, it'll be the 17 Renaissance Academy Charter School. 18 I move that the Public Education 19 Commission approve the Charter Contract and 20 Exhibits, including the Performance Framework, for 21 Southwest Preparatory Learning Center, identified in 22 Agenda Item 17, for the 2024-2029 charter term. 23 I further move that the Charter Contract 24 with the referenced attachments be signed by the 25 Chair and the completed documents be sent to the</p>	285	<p>1 affectionately known as "SODA." 2 I move that the Public Education 3 Commission approve the Charter Contract and 4 Exhibits, including the Performance Framework, for 5 the School of Dreams Academy, identified in Agenda 6 Item 17, for the 2024-2029 charter term. 7 I further move that the Charter Contract 8 with the referenced attachments be signed by the 9 Chair and the completed documents be sent to the 10 school's governing board president for signature and 11 then posted on the PEC website. 12 COMMISSIONER INGHAM: Second. 13 THE CHAIR: There's a motion by 14 Commissioner Carrillo and a second by Commissioner 15 Ingham. 16 SECRETARY BECK: Commissioner 17 Clahchischilliage. 18 COMMISSIONER CLAHCHISCHILLIAGE: Yes. 19 SECRETARY BECK: Commissioner Ingham. 20 COMMISSIONER INGHAM: Yes. 21 SECRETARY BECK: Chair Gipson. 22 COMMISSIONER GIPSON: Yes. 23 SECRETARY BECK: Vice Chair Carrillo. 24 VICE CHAIR CARRILLO: Yes. 25 SECRETARY BECK: Commissioner Taylor.</p>
