

How Did We Get Here?

The Las Cruces Fire Department responds to thousands of calls to provide assistance to those experiencing a crisis surrounding mental health or substance use disorders. Project LIGHT (Lessening the Incidence of Grief, Harm, and Trauma) is a response unit within the Las Cruces Fire Department (LCFD) dispatched through the 911 system.

HOURS OF OPERATION

Monday-Saturday 8am-7pm

Community partner relationships are an integral part of ensuring continuity of care and provide a valuable method for evaluating outcomes. LCFD thanks our partners for their continued support.
