2: Subgroup performance: high, middle, and low-performing quartiles	unavailable	unavailable

State Accountability System:

State and federal statute mandates accountability for all public schools. This section provides a snapshot of the school’s academic performance according to data collected by the Public Education Department (PED) for the school years 2021-22, 2022-23, and 2023-24 (when available).

The New Mexico State Accountability System ([NM Vistas](#)) gives every public school in the state an overall score. NM Vistas scored schools according to the following designations:

<p>Spotlight: Top 25% of schools, excluding schools with designations of CSI, Graduation Rate or TSI/ATSI</p>	<p>Traditional: No other designation</p>	<p>TSI (Targeted Support and Improvement): Multi-year low performing subgroup(s)</p>
		<p>ATSI (Additional Targeted Support and Improvement): TSI in the lowest 5% of schools. Exit from ATSI status requires an increase in subgroup performance in both of the next 2 years.</p>
		<p>CSI (Comprehensive Support): Lowest 5% of all schools; OR 3 years in ATSI; OR 3-year average of 4-Year Graduation rate is below 66.67%</p>
		<p>MRI (More Rigorous Intervention): on CSI for 3 years</p>

Note about 2022-23 NM Vistas Revision: on May 20, 2024, the Accountability, Research, Evaluation, and Assessment (AREA) Division released new figures on NM Vistas for the school year 2022-23. The figures were recalculated because: 1) AREA received a high number of appeals from schools about their data; 2) the Vistas data and designations needed to align with the state’s *Consolidated State Plan* (CSP) that is sent to the U.S. Department of Education as part of the *State ESSA (Every Student Succeeds Act) Accountability Model*; 3) during the initial release of Vistas 2022-23 reports, a number of schools were prematurely exited from designations of CSI and ATSI. Those schools are on a three-year cycle, some of which started in 2018-19. Because of Covid, two years of accountability reports were waived, so the designation should have continued through 2022-23.

Important: According to the May 20, 2024 NM Vistas revision, the highest **overall** designation a school may receive is “Spotlight,” however, an additional designation/distinction of “Excellence” is assigned to schools scoring above the 90th percentile on specific indicators.

Refer to the [2022-23 Accountability Measures Overview](#) for a summary of indicators included in Vistas calculations. Further details and criteria for each designation are provided in the *Accountability Technical Manual* linked to the [NM Vistas](#) web page.

Note: NM Vistas designations and academic proficiencies are not available at this time. Report will be updated when data are available.

Mission-Specific Goals

Goal 1: All students enrolled on both the 40th and 120th day at Rio Grande Academy of Fine Arts (RioGAFA) will be given opportunities to demonstrate understanding of core academic subjects through a carefully designed arts integration curriculum. Teachers will administer arts integrated lessons and

assessments throughout the year (based on grade-level standards) in which students will “construct and demonstrate understanding” (Kennedy Center arts integration definition) through art projects, presentations, performances, etc.

Performance Level	Target	Points
Exceeds Standard	90% to 100% of students will earn a minimum of “3” (meets standard) on the school’s rubric on at least two arts-integrated assessments for demonstrated understanding in core academic subjects and in the selected art form.	100
Meets Standard	80%-89% of students will earn a minimum of “3” (meets standard) on the school’s rubric on at least two arts-integrated assessments for demonstrated understanding in core academic subjects and in the selected art form.	75
Working to Meet Standard	70%-79% of students will earn a minimum of “3” (meets standard) on the school’s rubric on at least two arts-integrated assessments for demonstrated understanding in core academic subjects and in the selected art form.	25
Does Not Meet Standard	69% or fewer of students will earn a minimum of “3” (meets standard) on the school’s rubric on at least two arts-integrated assessments for demonstrated understanding in core academic subjects and in the selected art form.	0

Goal 1 Rating: 100% attainment- Exceeds Standard: **100 points**

Goal 2: All students enrolled on both the 40th and 120th day at Rio Grande Academy of Fine Arts (RioGAFA) will work with arts experts/mentors throughout the school year to prepare for, and participate in, at least one or two arts events (1 for K-5 and 2 for 6-12) by the end of the school year. RioGAFA has scheduled one arts-related day per quarter. On arts days, students will display artwork and/or perform (dance, film, music, and/or theatrical) for one another, families, and the community.

Performance Level	Target	Points
Exceeds Standard	86% to 100% of students will work with an art expert/mentor to prepare for, and to participate in, one (1) arts event for K-5 and two (2) arts events or 6-12 by the end of the school year.	100
Meets Standard	80%-85% of students will work with an art expert/mentor to prepare for, and to participate, in one (1) arts event for K-5 and two (2) arts events for 6-12 by the end of the school year.	75
Working to Meet Standard	70%-79% of students will work with an art expert/mentor to prepare for, and to participate in, one (1) arts event for K-5 and two (2) arts events for 6-12 by the end of the school year.	25
Does Not Meet Standard	69% or fewer students will work with an art expert/mentor to prepare for, and to participate in, one (1) arts event for K-5 and two (2) arts events for 6-12 by the end of the school year.	0

Goal 2 Rating: 100% attainment- Exceeds Standard: **100 points**

Organizational and Financial Performance Framework

2023-24 Overall Rating: Pending

Pursuant to the [PEC Performance Framework and Accountability System](#), schools receive ratings of **Meets Standard**, **Working to Meet Standard**, or **Does Not Meet Standard** for individual indicators in the framework. Explanations for any rating other than Meets Standard are provided below.

The school also receives an overall rating of either **Meets Standard** or **Does Not Meet Standard** for the year. If a school receives a **Does Not Meet Standard** rating for three or more indicators, it will receive an overall rating of **Does Not Meet Standard**.

If a school receives a **Does Not Meet Standard** rating, on any indicator, the CSD and PEC may conduct a closer review the following year on that indicator, and/or the PEC may require the school to submit a corrective action plan in order to specify actions and a timeline to correct the performance deficiency.

A school may receive a **Working to Meet Standard** rating on multiple indicators and still receive an overall rating of **Meets Standard**. If a school receives this rating across multiple years, the CSD and PEC may conduct a closer review the following year on that indicator, and the school will need to address the issue in its renewal application at the end of its charter term.
