RE: **Guidance for \$59 Million in SEG**

DocuSigned by:
Amanda DeBell
88199725368D409...

Background

House Bill 2, General Appropriation Act of 2024, (HB2 2024) includes \$59 million to the state equalization guarantee (SEG) for school districts and charter schools to meet teacher mentorship requirements pursuant to [Section 22-10A-9 NMSA 1978](#), create an educational plan pursuant to [Section 22-8-6 NMSA 1978](#), provide scientifically based literacy programs pursuant to [Section 22-13-29 NMSA 1978](#) and [Section 22-13-32 NMSA 1978](#), provide career technical education programs pursuant to [Section 22-1-12 NMSA 1978](#) and implement the community school framework pursuant to [Section 22-32-6 NMSA 1978](#). The New Mexico Public Education Department (PED) is issuing this memorandum to provide guidance for how to spend the \$59 million.

Guidance

The PED strongly encourages schools to utilize this funding to augment the implementation of the community schools strategy at the community schools in their district and prioritize funding for a community school coordinator (CSC) position. This individual will play a crucial role in implementing the community school strategy and offering collaborative leadership support for the five allowable spending categories identified in HB2 (2024). The dynamic and data-driven community schools strategy facilitates the convergence and strengthens all five HB2 initiatives.

Guidance for SEG Funding

May 15, 2024

Page 2 of 2

The community school strategy is a school transformation model that leverages the resources of the community to remove barriers to student achievement by addressing the root causes of those barriers. The strategy demonstrates promising outcomes in rural, urban, and suburban settings—from improving attendance and reducing disciplinary incidents, to closing achievement gaps and boosting graduation rates. The CSC's are instrumental in building the relationships and marshalling resources to attain these objectives.

PED encourages schools that hire a CSC with this funding to identify as a community school and to collaborate with the PED Community Schools Division. This Division offers comprehensive support for the implementation of the community schools strategy, including regional quality management coordinators, a statewide and schoolwide evaluation of implementation and outcomes, data-driven continuous improvement support, an annual statewide community schools conference, communities of practice, and fiscal guidance.

In addition to hiring a CSC, schools and districts are strongly encouraged to supplement the funding they may receive from the Community Schools Grant program with this SEG funding. The Legislature appropriated less money for this program than in previous years and more schools than ever applied for this grant. Using this SEG funding to supplement the grant funding is an excellent way to blend and braid funding, one of the key practice areas of the strategy, and make the strategy implementation more sustainable. The preliminary funding estimates for each district and charter are attached to this memo.

The PED encourages school districts and charter schools to identify as community schools that will be utilizing this SEG funding for a CSC position and to please email Julie Brenning, PED Community School Coordinator, at julie.brenning@ped.nm.gov. Once identified, the CS team can provide all of the supports listed above.

Sincerely,

Deputy Secretary Amanda DeBell
