**Date of Public Education Commission (PEC) Meeting:** September 20, 2024

**The school requests consideration from the PEC to change the terms of its contract as follows:** Add two portables that would add 3,640 square feet. The current square footage of high school is 27,449 and the elementary school is 31,513 square feet.

**CSD Analysis:** Since the 2022-2023 school year, Hozho has shared with CSD and the PEC the intent and plans to secure amendments to support the school's expanding enrollment, including adding portables to increase square footage.
