History:

The Montessori Elementary and Middle School opened in 2005 with Albuquerque Public Schools as their authorizer. The school changed authorizers in 2010 when they renewed with the Public Education Commission. This is their third renewal application with the PEC.

Mission: We believe that learning is best achieved within a positive social atmosphere that supports each individual’s unique development. The School offers an accelerated program by providing a strong Montessori academic curriculum combined with a unique fine arts program including Suzuki Method, General Music, and Visual Arts. The mission of the School is to encourage students grades K-8 to become responsible citizens who have the ability and desire to fulfill lifelong educational and social goals.

Educational Program of School as written in the contract:

The Montessori Philosophy is an educational method for children, based on theories of child development originated by Italian educator Maria Montessori in the early 20th century. The method is characterized by an emphasis on self-directed activity on the part of the child and clinical observation on the part of the teacher. Montessori educational practice helps children develop creativity, problem solving, critical thinking, time-management skills, as well as preparing them to be productive members of society.

- i. The School maintains fidelity to the Montessori multiage grouping philosophy as much as possible within the context of public education. Younger children learn from older children; older children reinforce their learning by teaching concepts they have already mastered.
- ii. Middle school grades 6-8 are structured in single grade classrooms; however, the Montessori philosophy, materials and methodology continue to be used at the middle school level. Because these students will be transitioning to traditional high schools, the School determined that a more traditional middle school grade structure would better support that transition.
- iii. In order for self-directed learning to take place the School offers a full complement of the prescribed Montessori materials and provides a classroom design that is compatible with Montessori “prepared environment”, Each teacher prepares the classroom to encourage independence, freedom within limits, and a sense of order. This is evidenced via classroom tour and interview of teachers and administrator.
- iv. All of the School’s classrooms incorporate a Peace Table. The Peace Table plays an important role in Montessori classrooms as a strategy used for problem solving and conflict resolution through peaceful and respectful communication.
- v. All teachers are grade-level licensed and Montessori-trained. Lead teachers are Montessori-certified.

| Academic Performance Framework Indicators | 2021-22 Score | 2022-23 Score | 2023-24 Score |

| 3: School-specific Goals: if two goals, average of points on each goal (100 points possible) | 87.5* | 100 | 100 |
| Overall Academic Score: average of Indicators 1 and 3 | 72.75 | 88.25 | – |

***Note:** The Annual Report from 2021-22 indicates a School-specific Goal score of 90; the correct score should be 87.5. Also, Vistas scores were not available in 2020-21, and 2023-24 will be added when available.

State Accountability System:

State and federal statute mandates accountability for all public schools. This section provides a snapshot of the school’s academic performance according to data collected by the Public Education Department (PED) for the school years 2021-22, 2022-23, and 2023-24 (when available).

The New Mexico State Accountability System ([NM Vistas](#)) gives every public school in the state an overall score. NM Vistas scored schools according to the following designations:

| | | |
|--|---|--|
| <p>Spotlight: Top 25% of schools, excluding schools with designations of CSI, Graduation Rate or TSI/ATSI</p> | <p>Traditional: No other designation</p> | <p>TSI (Targeted Support and Improvement): Multi-year low performing subgroup(s)</p> |
| | | <p>ATSI (Additional Targeted Support and Improvement): TSI in the lowest 5% of schools. Exit from ATSI status requires an increase in subgroup performance in both of the next 2 years.</p> |
| | | <p>CSI (Comprehensive Support): Lowest 5% of all schools; OR 3 years in ATSI; OR 3-year average of 4-Year Graduation rate is below 66.67%</p> |
| | | <p>MRI (More Rigorous Intervention): on CSI for 3 years</p> |

Note about 2022-23 NM Vistas Revision: on May 20, 2024, the Accountability, Research, Evaluation, and Assessment (AREA) Division released new figures on NM Vistas for the school year 2022-23. The figures were recalculated because: 1) AREA received a high number of appeals from schools about their data; 2) the Vistas data and designations needed to align with the state’s *Consolidated State Plan (CSP)* that is sent to the U.S. Department of Education as part of the *State ESSA (Every Student Succeeds Act) Accountability Model*; 3) during the initial release of Vistas 2022-23 reports, a number of schools were prematurely exited from designations of CSI and ATSI. Those schools are on a three-year cycle, some of which started in 2018-19. Because of Covid, two years of accountability reports were waived, so the designation should have continued through 2022-23.

Important: According to the May 20, 2024 NM Vistas revision, the highest **overall** designation a school may receive is “Spotlight,” however, an additional designation/distinction of “Excellence” is assigned to schools scoring above the 90th percentile on specific indicators.

Refer to the [2022-23 Accountability Measures Overview](#) for a summary of indicators included in Vistas calculations. Further details and criteria for each designation are provided in the *Accountability Technical Manual* linked to the [NM Vistas](#) web page.

Performance Framework Ratings

Pursuant to the [PEC Performance Framework and Accountability System \(2019\)](#), schools receive ratings of **Meets Standard**, **Working to Meet Standard**, or **Does Not Meet Standard** for individual indicators in the framework. Explanations for any rating other than Meets Standard are provided below.

The school also receives an overall rating of either **Meets Standard** or **Does Not Meet Standard** for the year. If a school receives a **Does Not Meet Standard** rating for three or more indicators, it will receive an overall rating of **Does Not Meet Standard**.
