2024-25 Renewal Preliminary Part A [Turquoise Trail Charter School] Revised 08.27.24

¹ Most current NMCI number available from PSFA is from June 2024.

History:

Turquoise Trail Charter School converted from a traditional public school to a charter school in 1994, one year after 1993 Charter School Law. Santa Fe Public Schools was their authorizer from 1994 until 2015 when Turquoise Trail renewed with the Public Education Commission. This is their third renewal application with the PEC.

Mission:

Turquoise Trail Charter School serves a diverse community of students and families in a safe and supportive environment fostering communication, collaboration, critical thinking, and creativity. Teaching and learning are research-based, challenging, data-driven, and relevant to unique student needs and interests.

Educational Program of School as written in the contract:

Vision: Turquoise Trail Charter School aims to construct an innovative environment designed to support high achievement, strong engagement, student well-being, and an intentional fostering of community in order to become the academically highest performing Title I school in New Mexico.

i. The School is premised on student-centered practices, which emphasize personalization, high expectations, hands-on and group learning experiences, teaching of 21st century skills, performance-based assessments, such as the students' exhibition of mastery and evidence of community involvement. In addition, a wide variety of after-school and enrichment opportunities are provided to all students, including language, sports, and arts and crafts.

ii. Parent involvement, emphasizing the school's commitment to the local community is an essential part of the school's success such as parent volunteer opportunities in after school programming, extended-year programming, in-school tutoring and teacher assistance. Evidenced through data maintained by parent-volunteer coordinator.

iii. The faculty is committed to student learning through data-driven instruction practices, strong emphasis on utilizing academic data to inform and adapt to student learning needs, and opportunities for educators to reflect on their practices as evidenced by regular faculty collaboration time and professional development.

Academic Performance

*Note: The Annual Report from 2021-22 indicates a School-specific Goal score of 94; the correct score should be 100. Also, Vistas scores were not available in 2020-21, and 2023-24 will be added when available.

State Accountability System:

State and federal statute mandates accountability for all public schools. This section provides a snapshot of the school's academic performance according to data collected by the Public Education Department (PED) for the school years 2021-22, 2022-23, and 2023-24 (when available).

The New Mexico State Accountability System (<u>NM Vistas</u>) gives every public school in the state an overall score. NM Vistas scored schools according to the following designations:

| | ols Traditional: ns of No other designation Rate | TSI (Targeted Support and Improvement): Multi-year low performing subgroup(s) |
|---|--|--|
| Spotlight: Top 25% of schools, excluding schools with designations of | | Multi-year low performing subgroup(s) ATSI (Additional Targeted Support and Improvement): TSI in the lowest 5% of schools. Exit from ATSI status requires an increase in subgroup performance in both of the next 2 years. CSI (Comprehensive Support): Lowest 5% of all schools; OR 3 years in ATSI; OR 3-year average of 4-Year Graduation rate is below 66.67% |
| CSI.Graduation Rate or TSI/ATSI | | Lowest 5% of all schools; OR 3 years in ATSI; OR 3-year average of 4-Year |
| | | MRI (More Rigorous Intervention): on CSI for 3 years |

Note about 2022-23 NM Vistas Revision: on May 20, 2024, the Accountability, Research, Evaluation, and Assessment (AREA) Division released new figures on NM Vistas for the school year 2022-23. The figures were recalculated because: 1) AREA received a high number of appeals from schools about their data; 2) the Vistas data and designations needed to align with the state's *Consolidated State Plan* (CSP) that is sent to the U.S. Department of Education as part of the *State ESSA (Every Student Succeeds Act) Accountability Model;* 3) during the initial release of Vistas 2022-23 reports, a number of schools were prematurely exited from designations of CSI and ATSI. Those schools are on a three-year cycle, some of which started in 2018-19. Because of Covid, two years of accountability reports were waived, so the designation should have continued through 2022-23.

Important: According to the May 20, 2024 NM Vistas revision, the highest **overall** designation a school may receive is "Spotlight," however, an additional designation/distinction of "Excellence" is assigned to schools scoring above the 90th percentile on specific indicators.

Refer to the <u>2022-23 Accountability Measures Overview</u> for a summary of indicators included in Vistas calculations. Further details and criteria for each designation are provided in the *Accountability Technical Manual* linked to the <u>NM Vistas</u> web page.

Performance Framework Ratings

Pursuant to the <u>PEC Performance Framework and Accountability System (2019)</u>, schools receive ratings of **Meets Standard**, **Working to Meet Standard**, or **Does Not Meet Standard** for individual indicators in the framework. Explanations for any rating other than Meets Standard are provided below.

The school also receives an overall rating of either **Meets Standard** or **Does Not Meet Standard** for the year. If a school receives a **Does Not Meet Standard** rating for three or more indicators, it will receive an overall rating of **Does Not Meet Standard**.

| Contract Year | School Year | Overall Rating: Organization & Financial Framework (Meets or Does Not Meet) |
