## Instructions

Please read the entire Charter School Renewal Application Kit before preparing documents. In an effort to help applicants understand the requirements of the Renewal Application, the CSD will hold a minimum of two technical assistance workshops. Applicants will be notified of the dates, times, and locations of the workshops.

Enter applicant responses in boxes below. Answer all questions unless the question indicates that applicants should answer only under certain conditions (e.g., rating on a Performance Framework indicator requires explanation, etc.). Narrative responses should be verifiable through documents submitted or observable evidence at the renewal site visit.

## School Information

**Name of School:** Turquoise Trail Charter School

**Current Charter Term:** 2020-2025

## Financial Statement Narrative

The school must provide a financial statement that discloses the costs of administration, instruction, and other spending categories for the charter school. The financial statement must be understandable to the general public and must allow comparison of costs to other schools or comparable organizations. The school must use the templates included within Part C of the renewal kit for the financial report. For schools that were identified in the lowest 25% of all schools in the NM System of Support and Accountability for SY2018-19 or SY2021-22, the report should specifically address how the school has prioritized resources toward proven programs and methods linked to improved student achievement.

Enter applicant response in box below:

**School response:**

TTCS develops its budget to prioritize high academic achievements, strong engagement, student well-being, and an intentional fostering of community. This is done with input from administration, teachers, staff, and community. Instruction is placed at a high importance with additional investments made in math, ELA, bilingual, ELL, and overall student well-being.
