Dear Dr. Campbell and Mr. Wilhelm:

Alan Brauer, Member
District 3, Albuquerque

Congratulations on the renewal of your charter school. This will confirm that the Public Education Commission has voted to renew ACES Technical Charter School for a five-year term from July 1, 2025 to June 30, 2030 with the following conditions.

Rebekka Burt, Member
District 4, Rio Rancho

Sharon Clahchischillage, Member
District 5, Aztec

1. That the school conduct appropriate tribal consultation and work with the New Mexico Public Education Department Bureau of Indian Education to ensure compliance; and
2. The school identifies and serves English learners appropriately, correcting any outstanding issues that were identified in the August 13, 2024, Technical Assistance and Focused Monitoring letter from the PED Language and Culture Division (LCD). If LCD confirms that all issues are resolved prior to the PEC vote on the charter contract, this condition will be deemed satisfied and not included in the condition documentation.

Stewart Ingham, Member
District 6, Deming

Michael M. Taylor, Member
District 8, Roswell

K.T. Manis, Member
District 9, Hobbs

The first annual report will confirm completion of the condition(s) imposed or, if the concern(s) are not corrected, will identify the uncorrected unsatisfactory performance that may be subject to further PEC action.

The negotiations for contracting with the PEC are scheduled to take place February 11-13, 2025 in Mabry Hall, Santa Fe. Missy Brown at Charter School Division (Melissa.Brown@ped.nm.gov, 505 551-2879) will reach out with information on the charter contracting process. All documents related to the contracting process will be uploaded here [ACES Technical Contract folder](#) as you move through the process to prepare for the negotiations with the PEC.

The approved contract and performance framework templates are found here: <https://webnew.ped.state.nm.us/bureaus/public-education-commission/policies-and-processes/>

We appreciate all of the work at your school, the support you provide to the students at your school and your commitment to education in New Mexico. On behalf of the Commission, I thank you for your efforts and congratulations again.
