Grand Budget Proposal Allowable Codes

The community schools grant budget proposals will include only four allowable codes, or areas of funding:

- 1) **Community School Coordinator Position;**
- 2) **Community School-Specific Professional Development**
- 3) **Pipeline Service Providers; and**
- 4) **Community School Spaces.**

The intention of the CS grant funding is to support the CS strategy and whole school transformation. All other expenses (such as food, capital outlay, other FTEs, equipment, supplies and materials, etc.) can be purchased with other funding sources, *not* the NMPED Community Schools Grant. Exceptions will be considered for CS Spaces. For all preapprovals, the fiscal and QMC teams will work with your community schools to keep the budget in alignment with the community school strategy.

The following fiscal process will be in place starting Feb., 2024

In the past PED communicated directly with schools. With this update, PED will now require a district level approval prior to being sent to PED. That approval should be sent from the District to the PED fiscal team. This is to keep all levels aligned and in compliance with the CS strategy and 6 key practices.

For each budget item, ask yourself these questions:

Is it sustainable?

Is it transformative?

Is it collaborative?

Is it innovative?

- Funding for the salary and benefits of the CS Coordinator (this position can be braided and blended from other sources but must first be fully funded at 100% full-time FTE before other expenditures)

Examples of Non-allowables:

- Other FTE's or salaries other than the CS Coordinator

AREA 2: Community School Specific Professional Development

- Object Code: **53330**

Key Practice 2: Collaborative Leadership, Shared Power and Voice

Community School specific professional development can be used for any member of the Site-based leadership team (CS Coordinator, CS Principal, Families, Community partners and students). Specific Travel (date, location, estimated cost, number of travelers) included in the Approved Budget Justification Form does NOT need a pre-approval travel form completed. This PD is *specific* to the [strategy](#) and the [6 Key Practices](#).

Examples of Allowables:

- NM Annual Community School Conference
- National Community School Conference
- Site visit to sister school and/or other Community School for exchange learning
- Contract with CS Agency (examples: ABC Community School Partnership, SWIFT Community Schools, NEA) to provide training for any members of the SBLT
- Other Community School specific professional development that directly falls under the 6 Key Practices (examples of Key Practice 5: Restorative Justice Practice training, Trauma informed training, etc.). Definitions of these Key Practices are [here](#).

Examples of Non-allowables:

- Stipends for SBLT participation
- Other professional development that is not community school-specific

AREA 3: Pipeline Service Providers

- Object Code: **53414**

The intentions of this funding section are to provide support and seed funding for **community school partners that form relationships**, mentoring and connection with students and families. This **seed** funding is intended to begin implementing initiatives but *not* to sustain them. That sustaining comes as the school and district plan for braided, blended and leveraged funding. This seed funding is to provide support for a model of continuous improvement based on data, root cause analysis and measuring outcomes. Initiatives that do not see outcomes can be adjusted accordingly by the SBLT.

Pipeline services means a **continuum of coordinated support, services, and opportunities for children** from birth through entry into and success in postsecondary education, and career attainment. Such services shall include, at a minimum, strategies to address through services or programs.

The following are examples of pipeline service providers that are allowable for each of the 6 Key Practices:

Examples Under the 6 Key Practices

Key Practice 1: Powerful Student and Family Engagement

 - Cosmetology
 - Community-connected partners for literacy engagement
 - Experiential community-connected capstones and projects
 - Activities that support student postsecondary and workforce readiness, which may include job training, internship opportunities, and career counseling in conjunction with community partners

Key Practice 5: Culture of Belonging, Safety and Care

- Juvenile crime prevention and rehabilitation services
- APP or system for daily check-ins
- Partnership with behavioral health that works with teachers (like trauma informed practices)
- Supports for a culture of belonging, safety and care such as restorative justice practices, community groups and student check-ins

Key Practice 6: Integrated Systems of Support

- Social, health, nutrition, and mental health services and supports
- Partnership with behavioral health that works with families and students holistically
- Vision, dental

AREA 4: Community Schools Spaces

- Object Code-56119

For this space, it must **align with the needs assessment** and **root cause analysis**. This funding needs preapproval.

Examples Under the 6 Key Practices for Spaces

All Key Practices – multipurpose room for family and community engagement, a culture of belonging safety and care, basic needs room and extended learning time

Key practice 1 and 2 – family and community engagement room for site-based leadership team meetings and family events.

Key practice 3 and 4 – out of school time and extended learning time space, like tutoring, community-connected classroom instruction and experiential learning (examples: capstones)

Key Practice 5 – culture of safety, belonging and care (examples: safety room, nurturing space, quiet room)

Key Practice 6 – integrated systems of support, room for dental care providers, behavioral and mental health, food banks and basic needs room, etc.

Examples of Non-Allowables

Examples of non-allowables:
