Notice from 2022-23 Annual Report: Satisfactory performance

Unsatisfactory terms that need to be addressed from 2022-23 Annual Report: the PEC has identified several areas of unsatisfactory performance related to the “working to meet” criteria on both mission specific goals, and 2.a Governance Requirement on page 9 of annual report.

Progress from 2022-23 Notice to 2023-24:

- “Working to Meet” criteria on both mission-specific goals: in 2023-24, the school improved, earning Meets on Mission-Specific Goal 1 and Exceeds on Goal 2.

- 2.a Governance Requirements: the school improved in 2023-24, earning Meets on this indicator.

Mission: The mission of PCA is to empower all students to embrace learning, achieve their personal best and build their emotional, social, and physical well-being through a quality virtual learning community.

Educational Program:

PCA is a totally virtual school servicing students K-12. PCA provides real-time live instruction daily, including 1:1 support, interventions and interaction through Live Lesson sessions and with the availability of Recorded Sessions. As needed General Education Teachers with Inclusion support from Special Education and Bilingual Teachers are available during office hours held regularly to provide flexible availability to support students. Access an asynchronous and synchronous course available to support students/parents in platform navigation and acclimation to online learning (On Boarding). A visitor provided with a guest link would enter the Live Lesson room. The visitor would "see" students engaged in learning and interacting with their classmates in a live lesson taught by a real teacher in the virtual setting (such as in a Zoom meeting or Google Meet.)

Demographics as reported in Nova 2023-24 (120-Day)

State Accountability System:

State and federal statute mandates accountability for all public schools. This section provides a snapshot of the school’s academic performance according to data collected by the Public Education Department (PED) for the school years 2021-22, 2022-23, and 2023-24.

The New Mexico State Accountability System ([NM Vistas](#)) gives every public school in the state an overall score. NM Vistas scored schools according to the following designations:

Spotlight: Top 25% of schools, excluding schools with designations of CSI, Graduation Rate or TSI/ATSI	Traditional: No other designation	TSI (Targeted Support and Improvement): Multi-year low performing subgroup(s)
		ATSI (Additional Targeted Support and Improvement): TSI in the lowest 5% of schools. Exit from ATSI status requires an increase in subgroup performance in both of the next 2 years.
		CSI (Comprehensive Support): Lowest 5% of all schools; OR 3 years in ATSI; OR 3-year average of 4-Year Graduation rate is below 66.67%
		MRI (More Rigorous Intervention): on CSI for 3 years

Note: According to the May 20, 2024 NM Vistas revision, the highest **overall** designation a school may receive is “Spotlight,” however, an additional designation/distinction of “Excellence” is assigned to schools scoring above the 90th percentile on specific indicators.

Refer to the [2023-24 Accountability Measures Overview](#) for a summary of indicators included in Vistas calculations. Further details and criteria for each designation are provided in the *Accountability Technical Manual* linked to the [NM Vistas](#) web page.

For the school year 2023-24, **Pecos Cyber Academy** received a designation of **Traditional**.

Proficiency

Because science is assessed only in grades 5, 8, and 11, schools that do not serve these grades do not have science proficiency data.

Growth

Definition per NM Vistas: median growth of students (Student Growth Percentile, or SGP) in math or reading compared to their peers who had similar scores on previous tests. Percentile ranges from 34-66 represent about a year's growth typical for the academic peer group. Growth is not available for high school students as data is limited to 11th grade SAT and Assessment of Science Readiness (ASR).

High School Graduation

Data refer to prior year cohorts, with the most recent 4-year graduation data available for the **2023** graduation cohort, 5-year data for the **2022** cohort, and 6-year data for the **2021** cohort. The 4-year, 5-year, and 6-year graduation rates for these years are provided with comparative data for the state and district. The 4-year rate is then disaggregated by ethnicity and student group.

Mission-Specific Goals

Goal 1:

Historical Data: PCA’s Fall of 2021 implementation of Renaissance/Star360 to improve the instructional outcomes for all students in the area of Math. 70% of the students enrolled for the full academic year achieved their annual academic growth target, which was the projected scaled score on the short cycle assessment.

Math- All students (K-12) enrolled at PCA for a full academic year will achieve the student’s annual academic growth target (as set by the short cycle assessment) or more on the math short cycle assessment.

Performance Level	Target	Points
Exceeds Standard	80% or more of students at PCA enrolled for a full academic year will achieve the student’s annual academic growth target (as set by the short cycle assessment) or more on the short cycle assessment.	100
Meets Standard	65-79% of students at PCA enrolled for a full academic year will achieve the student’s annual academic growth target (as set by the short cycle assessment) or more on the short cycle assessment.	75
Working to Meet Standard	50-64% of students at PCA enrolled for a full academic year will achieve the student’s annual academic growth target (as set by the short cycle assessment) or more on the short cycle assessment.	25
Does Not Meet Standard	49% or less of students at PCA enrolled at PCA for a full academic year will achieve the student’s annual academic growth target (as set by the short cycle assessment) or more on the short cycle assessment.	0

Goal 1 Rating: 78% attainment- Meets Standard: **75 points**

Organizational and Financial Performance Framework

2023-24 Overall Rating: Meets Standard

Pursuant to the [PEC Performance Framework and Accountability System](#), schools receive ratings of **Meets Standard**, **Working to Meet Standard**, or **Does Not Meet Standard** for individual indicators in the framework. Explanations for any rating other than Meets Standard are provided below.

The school also receives an overall rating of either **Meets Standard** or **Does Not Meet Standard** for the year. If a school receives a **Does Not Meet Standard** rating for three or more indicators, it will receive an overall rating of **Does Not Meet Standard**.

If a school receives a **Does Not Meet Standard** rating, on any indicator, the CSD and PEC may conduct a closer review the following year on that indicator, and/or the PEC may require the school to submit a corrective action plan in order to specify actions and a timeline to correct the performance deficiency.

A school may receive a **Working to Meet Standard** rating on multiple indicators and still receive an overall rating of **Meets Standard**. If a school receives this rating across multiple years, the CSD and PEC may conduct a closer review the following year on that indicator, and the school will need to address the issue in its renewal application at the end of its charter term.

Dear Dr. Hite-Pope and Ms. Anderson:

Thank you for all of your hard work to support children in New Mexico. As you know, the Charter School Division (CSD) has completed its annual report for SY 2023-2024 for your school and presented this report along with your responses to the Public Education Commission (PEC) at its January 2025 meeting.

1. Satisfactory Performance. As outlined in New Mexico rule NMAC 6.2.9.12 and 13¹⁸, the PEC has accepted this annual report. Further, as set out in the rule, the PEC asked me to provide you with notice that the PEC has issued an overall annual report notice of satisfactory performance. In addition, the school corrected areas of concern from last year. Thank you for this strong work.

2. Condition Complete. In addition, the PEC has confirmed that you have met the terms of the Condition placed on the school. You no longer need to report on this condition, and it is deemed satisfied.

3. New areas of focus. The PEC has identified unsatisfactory performance related to:

- 1.b State Assessment requirement on page 12 of the annual report.

¹⁸ <https://www.srca.nm.gov/parts/title06/06.002.0009.html>

The unsatisfactory performance should be corrected by the next annual report. You will work with your staff and board and report your progress to the CSD through the annual site visit and report process to show your progress. If you are successful in improving the performance, CSD will report that in the next annual report, and the concerns will be identified as corrected. If you are not successful (which we hope will not be the case), the school may receive a notice of uncorrected unsatisfactory performance next year which could impact the ultimate renewal of the school.

The contract and all annual reports for the school are located here: <https://webnew.ped.state.nm.us/bureaus/public-education-commission/charter-school-contracts/> The SY 2023-2024 annual report and this letter will be made a part of the record of performance of the school. Please feel free to reach out to CSD or me with any questions. On behalf of the Commission, I thank you for your efforts.

Sincerely,

/s/ Patricia Gipson
