Notice from 2022-23 Annual Report: Exemplary Performance

Unsatisfactory terms that need to be addressed from 2022-23 Annual Report: the PEC has identified two areas of unsatisfactory performance related to growth in English language scores for black students and growth in math scores for students with disabilities on pages 6-7 of the annual report and finances identifying the material and significant weakness, four total audit findings and one repeat finding identified in the FY22 audit and listed on page 11, indicator 2.b. of the annual report.

Progress from 2022-23 Notice to 2023-24:

- Growth in English language scores for black students and growth in math scores for students with disabilities: NM Vistas changed the business rules for computing growth from 2022-23 to 2023-24, so comparative growth cannot be obtained. Moreover, the school's reading growth percentile for black students and math growth percentile for students with disabilities were both masked for the school in 2023-24.
- Indicator 2.b. Accounting Principles earned repeat ratings of Does Not Meet in 2022-23 and 2023-24.

Waivers: Evaluation Standards for School Personnel, Individual Class Load, Length of School Day, Purchase of Instructional Material, School Principal Duties, Staffing Patterns, Subject Area, Teaching Load

Mission: J. Paul Taylor Academy, in alliance with our local community and families, offers a rigorous curriculum emphasizing project- based learning, conversational Spanish and healthy living.

Educational Program:

5.1.1 The key provisions related to J.Paul Taylor Academy's education approach and philosophy are Project Based Learning and Spanish Language Acquisition. These major components are our content delivery models.

5.1.2 Project-Based Learning is implemented through experimenting with true student leadership, sharing failure and successes, discussing options to identify best solutions to problems, negotiating, compromising, and, ultimately, supporting each other. This will be evidenced via the school's unit plans and the mission goal data.

5.1.3 Spanish Language Acquisition is implemented in all grades in addition to exploration of Spanish, Mexican and New Mexican culture. This will be evident via the school's mission goal data.

5.1.4. A commitment to Healthy Life Skills is a pillar of the school's educational program. This is evidenced, for example, by the practice of daily walk, expanded Physical Education instruction, and a food service program that centers on fresh-daily meals with a heavy emphasis on fresh vegetables and fruit, locally produced as often as possible.

5.1.5 Music and Art classes are also included as integral and indispensable components of the JPTA school week.

Demographics as reported in Nova 2023-24 (120-Day)

Note. Students are identified as Hispanic independently of their race.

State Accountability System:

State and federal statute mandates accountability for all public schools. This section provides a snapshot of the school’s academic performance according to data collected by the Public Education Department (PED) for the school years 2021-22, 2022-23, and 2023-24.

The New Mexico State Accountability System ([NM Vistas](#)) gives every public school in the state an overall score. NM Vistas scored schools according to the following designations:

<p>Spotlight: Top 25% of schools, excluding schools with designations of CSI, Graduation Rate or TSI/ATSI</p>	<p>Traditional: No other designation</p>	<p>TSI (Targeted Support and Improvement): Multi-year low performing subgroup(s)</p>
		<p>ATSI (Additional Targeted Support and Improvement): TSI in the lowest 5% of schools. Exit from ATSI status requires an increase in subgroup performance in both of the next 2 years.</p>
		<p>CSI (Comprehensive Support): Lowest 5% of all schools; OR 3 years in ATSI; OR 3-year average of 4-Year Graduation rate is below 66.67%</p>
		<p>MRI (More Rigorous Intervention): on CSI for 3 years</p>

Note: According to the May 20, 2024 NM Vistas revision, the highest **overall** designation a school may receive is “Spotlight,” however, an additional designation/distinction of “Excellence” is assigned to schools scoring above the 90th percentile on specific indicators.

Refer to the [2023-24 Accountability Measures Overview](#) for a summary of indicators included in Vistas calculations. Further details and criteria for each designation are provided in the *Accountability Technical Manual* linked to the [NM Vistas](#) web page.

For the school year 2023-24, **J. Paul Taylor Academy** received a designation of **Spotlight**.

Proficiency

Because science is assessed only in grades 5, 8, and 11, schools that do not serve these grades do not have science proficiency data.

Growth

Definition per NM Vistas: median growth of students (Student Growth Percentile, or SGP) in math or reading compared to their peers who had similar scores on previous tests. Percentile ranges from 34-66 represent about a year's growth typical for the academic peer group. Growth is not available for high school students as data is limited to 11th grade SAT and Assessment of Science Readiness (ASR).

Organizational and Financial Performance Framework

2023-24 Overall Rating: Meets Standard

Pursuant to the [PEC Performance Framework and Accountability System](#), schools receive ratings of **Meets Standard**, **Working to Meet Standard**, or **Does Not Meet Standard** for individual indicators in the framework. Explanations for any rating other than Meets Standard are provided below.

The school also receives an overall rating of either **Meets Standard** or **Does Not Meet Standard** for the year. If a school receives a **Does Not Meet Standard** rating for three or more indicators, it will receive an overall rating of **Does Not Meet Standard**.

If a school receives a **Does Not Meet Standard** rating, on any indicator, the CSD and PEC may conduct a closer review the following year on that indicator, and/or the PEC may require the school to submit a corrective action plan in order to specify actions and a timeline to correct the performance deficiency.

A school may receive a **Working to Meet Standard** rating on multiple indicators and still receive an overall rating of **Meets Standard**. If a school receives this rating across multiple years, the CSD and PEC may conduct a closer review the following year on that indicator, and the school will need to address the issue in its renewal application at the end of its charter term.
