Mission:

Amy Biehl High School was founded in the spirit of Amy Biehl, a young scholar dedicated to social justice and service. We graduate diverse learners and leaders who demonstrate intellectual, social, and ethical habits to improve their communities. Our graduates are civic-minded, college bound and career-ready.

Educational Program:

Our academic program targets our mission, specifically college readiness and civic mindedness. With this focus, we intentionally cultivate a school culture that is committed to social justice and civic responsibility.

i. **Exhibitions:** Amy Biehl High School graduates will have completed at least four public Performance Assessments. Public exhibitions are a fundamental part of our program throughout a student's four years. Community members can expect that students will participate in at least 1 public exhibition each year. Exhibitions provide avenues for students to marry their content understanding with the skills necessary for post-secondary success, including but not limited to: public speaking, research skills, critical analysis of resources, synthesis of content knowledge and project management skills.

ii. **Assessment that drives instruction:** Because of our inclusive model of instruction, it is necessary to closely monitor student growth in their path to college. We administer short cycle assessments that allow teacher teams to gauge college and career readiness and adjust instruction accordingly. Community members can expect that students will be able to track their growth in performance on college readiness assessments such as the ACT and the Accuplacer.

iii. **Graduation Credit Requirements:** Amy Biehl High School credits fall into two categories: state graduation requirements and mission specific graduation requirements

- a. State Graduation Requirements
- b. Mission Specific Graduation Requirements
 - i. Social Justice Curriculum (Holocaust and Human Behavior) 0.5
 - ii. Advisory 2.0
 - iii. Service Learning/Senior Project 1.5
 - iv. Passage (post-secondary, college application, scholarship and financial aid advisement) 1.0
 - v. Dual Enrollment (unless noted otherwise on an IEP) 2.0
 - vi. Compass (Civic Engagement and Senior Project Preparation) 0.5
 - vii. Additional Elective 1.0

vi. **Advisory support:** Community members can expect that every student in the building has a person (advisor) that serves as advocate, academic progress monitor, liaison between families and the school, and academic coach.

v. **Dual Credit:** Amy Biehl High School graduates will have completed 2 dual credit classes with a C- or better, or 1 dual credit class and 1 career readiness course with a C- or better. Community members can expect curriculum and assessment programs that are aligned with college readiness, intentional support and academic monitoring of student achievement, and individualized college and work readiness advisement and support.

vi. **Civic Engagement:** Amy Biehl High School graduates will have completed a minimum of 100 hours of community engagement as measured by participation in the first semester freshmen community engagement experience, two (2) quarterly advisory service projects for sophomores and juniors, and/or

senior service projects. Community members can expect service learning and civic engagement opportunities beginning the first quarter of freshmen year. Students will experience service in a variety of settings in which they gain skills that are transferable to post-secondary settings. In the junior year, students will experience interpersonal explorations which help them design their individual self-directed service project that is supported both by school personnel and community mentors.

vii. **Personalized Teacher Professional Development:** Our Teachers experience personalized professional development by receiving a professional development plan and classroom observations followed by targeted, evidence based feedback. We support teachers in utilizing student feedback as part of their growth plan.

viii. **Collaborative Professional Development:** During this time teachers analyze student performance data, collaborate in curriculum planning, receive training for differentiation, civic engagement and college readiness and plan content specific and school wide events. This time is crucial in developing a rigorous curriculum that supports students in being college and community ready.

ix. **Content Teams:** Teachers that share the same content meet regularly to plan, refine and coordinate school wide public exhibitions of student learning.

Academic Performance

Academic Performance Framework Indicators	2022-23 Score (100 points possible)
1: State Accountability System: NMVistas Overall Score	70.5
2: Subgroup performance: high, middle, and low-performing quartiles	unavailable
3: School-specific Goals: if two goals, average of points on each	100
Overall Academic Score: average of indicators 1 and 3	85.25

State Accountability System:

State and federal statute mandates accountability for all public schools. This section provides a snapshot of the school's academic performance according to data collected by the Public Education Department (PED) for the school years 2021-22, 2022-23, and 2023-24 (when available).

The New Mexico State Accountability System ([NM Vistas](#)) gives every public school in the state an overall score. NM Vistas scored schools according to the following designations:

<p>Spotlight: Top 25% of schools, excluding schools with designations of CSI, Graduation Rate or TSI/ATSI</p>	<p>Traditional: No other designation</p>	<p>TSI (Targeted Support and Improvement): Multi-year low performing subgroup(s)</p>
		<p>ATSI (Additional Targeted Support and Improvement): TSI in the lowest 5% of schools. Exit from ATSI status requires an increase in subgroup performance in both of the next 2 years.</p>
		<p>CSI (Comprehensive Support): Lowest 5% of all schools; OR 3 years in ATSI; OR 3-year average of 4-Year Graduation rate is below 66.67%</p>
		<p>MRI (More Rigorous Intervention): on CSI for 3 years</p>

Note about 2022-23 NM Vistas Revision: on May 20, 2024, the Accountability, Research, Evaluation, and Assessment (AREA) Division released new figures on NM Vistas for the school year 2022-23. The figures were recalculated because: 1) AREA received a high number of appeals from schools about their data; 2) the Vistas data and designations needed to align with the state's *Consolidated State Plan* (CSP) that is sent to the U.S. Department of Education as part of the *State ESSA (Every Student Succeeds Act)*

Accountability Model; 3) during the initial release of Vistas 2022-23 reports, a number of schools were prematurely exited from designations of CSI and ATSI. Those schools are on a three-year cycle, some of which started in 2018-19. Because of Covid, two years of accountability reports were waived, so the designation should have continued through 2022-23.

Important: According to the May 20, 2024 NM Vistas revision, the highest **overall** designation a school may receive is “Spotlight,” however, an additional designation/distinction of “Excellence” is assigned to schools scoring above the 90th percentile on specific indicators.

Refer to the [2022-23 Accountability Measures Overview](#) for a summary of indicators included in Vistas calculations. Further details and criteria for each designation are provided in the *Accountability Technical Manual* linked to the [NM Vistas](#) web page.

For the school year 2022-23, **Amy Biehl Charter High School** received a designation of **Spotlight**, with additional designation of **excellence** in Science.

Proficiency

Because science is assessed only in grades 5, 8, and 11, schools that do not serve these grades do not have science proficiency data.

English Learner Progress (NMVistas): 22.2%

English Learner Progress measures the percentage of English learners who are on track toward achieving English proficiency (an ACCESS score of 4.7 or higher) within five years.

High School Graduation

Data refer to prior year cohorts, with the most recent 4-year graduation data available for the 2022 graduation cohort, 5-year data for the 2021 cohort, and 6-year data for the 2020 cohort. The 4-year, 5-year, and 6-year graduation rates for these years are provided with comparative data for the state and district. The 4-year rate is then disaggregated by ethnicity and student group.

Rating: Exceeds Standard- 95% student attainment- **100 pts.**

Organizational and Financial Performance Framework

2022-23 Overall Rating: Meets Standard

Pursuant to the [PEC Performance Framework and Accountability System](#), schools receive ratings of **Meets Standard**, **Working to Meet Standard**, or **Does Not Meet Standard** for individual indicators in the framework. Explanations for any rating other than Meets Standard are provided below.

The school also receives an overall rating of either **Meets Standard** or **Does Not Meet Standard** for the year. If a school receives a **Does Not Meet Standard** rating for three or more indicators, it will receive an overall rating of **Does Not Meet Standard**.

If a school receives a **Does Not Meet Standard** rating, on any indicator, the CSD and PEC may conduct a closer review the following year on that indicator, and/or the PEC may require the school to submit a corrective action plan in order to specify actions and a timeline to correct the performance deficiency.

A school may receive a **Working to Meet Standard** rating on multiple indicators and still receive an overall rating of **Meets Standard**. If a school receives this rating across multiple years, the CSD and PEC may conduct a closer review the following year on that indicator, and the school will need to address the issue in its renewal application at the end of its charter term.
