Dear Mr. Franco and Ms. McClendon:

Thank you for all of your hard work to support children in New Mexico. As you know, the Charter School Division (CSD) has completed its annual report for SY 2022-2023 for your school and presented this report along with your responses to the Public Education Commission (PEC) at its March 2024 meeting.

As outlined in New Mexico rule NMAC 6.2.9.12 and 13¹⁰, the PEC has accepted this annual report. Further, as set out in the rule, the PEC asked me to provide you with notice that the PEC has issued an overall annual report notice of satisfactory performance. Thank you for this strong work which is particularly impressive in your first year of operation.

In addition to the overall notice, the PEC has identified one area of unsatisfactory performance related to

- 3.c. Staffing Credentials and 5.e Managing Grant Funding concerns on page 7 of the annual report.

The unsatisfactory performance should be corrected by the next annual report.

You will work with your staff and board and report your progress to the CSD through the annual site visit and report process to show your progress. If you are successful in improving the performance, CSD will report that in the next annual report, and the concerns will be identified as corrected. If you are not successful (which we hope will not be the case), the school may receive a notice of uncorrected unsatisfactory performance next year which could impact the ultimate renewal of the school.

The contract and all annual reports for the school are located here: <https://webnew.ped.state.nm.us/bureaus/public-education-commission/charter-school-contracts/> The SY 2022-2023 annual report and this letter will be made a part of the record of performance of the school. Please feel free to reach out to CSD or me with any questions. On behalf of the Commission, I thank you for your efforts.

Sincerely,

/s/ Patricia Gipson
