Dear Mr. Matthews and Mr. Douglas II:

Thank you for all of your hard work to support children in New Mexico. As you know, the Charter School Division (CSD) has completed its annual report for SY 2022-2023 for your school and presented this report along with your responses to the Public Education Commission (PEC) at its February 2024 meeting.

As outlined in New Mexico rule NMAC 6.2.9.12 and 13<sup>18</sup>, the PEC has accepted this annual report. Further, as set out in the rule, the PEC asked me to provide you with notice that the PEC has issued an overall annual report notice of unsatisfactory performance related to:

- the Vistas designation of the Vistas designation of Comprehensive Support School (CSI)-Graduation,
- negative growth for all students and for the student subgroups as listed on pages 7-8 of the annual report, and
- organizational concerns listed on page 9 of the annual report, indicators 3.b. and 5.b.

All items listed should be corrected by the next annual report.

With regard to the negative growth identified in the annual report, you can show that growth using any reliable tool you wish prior to the next annual report. You do not have to rely on the State accountability system or its methodology for identifying growth.

You will work with your staff and board and report to the CSD through the annual site visit and report process to show your progress. If you are successful in improving the performance, CSD will report that in the next annual report, and the concerns will be identified as corrected. If you are not successful (which we hope will not be the case), the school may receive a notice of uncorrected unsatisfactory performance next year which could impact the ultimate renewal of the school.

The PEC also reviewed the condition compliance form for 22-23. They found that the school is making progress toward the condition and should continue to report annually on the condition.

The contract and all annual reports for the school are located here: <https://webnew.ped.state.nm.us/bureaus/public-education-commission/charter-school-contracts/> The SY 2022-2023 annual report and this letter will be made a part of the record of performance of the school. Please feel free to reach out to CSD or me with any questions. On behalf of the Commission, I thank you for your efforts.

Sincerely,

*/s/ Patricia Gipson*
